

Contract # DTCC27344-ARCENGCON

ENGINEERING/ARCHITECTURAL/CONSTRUCTION MANAGEMENT SERVICES

CLARIFICATIONS

1. **QUESTION:** Based on the proposed services identified in the Project Description on page 1 of the solicitation, are Offerors expected to demonstrate personnel qualifications and capabilities for all listed services, or may firms focus their submissions on the specific service areas they are best qualified to provide?

RESPONSE: Firms do NOT need to meet all listed services. Please clarify in your response which disciplines you are submitting for.

2. **QUESTION:** Could you please clarify the type of information DTCC would like Offerors to include in SF330 Part I, Section H – Additional Information?

RESPONSE: Note that SF-330 or EQUIVALENT is required. We do not need the entire form to be filled out; the College is focused on Section II information, General Qualifications.

3. **QUESTION:** Is the responding firm to submit qualifications for a specific scope of service/services listed in the RFQ, limiting the response to only the service(s) that can be performed by the firm -OR- are firms expected to address all of the scope of services in responding to the RFQ? If the latter, are firms allowed to include subconsultant teaming partners in order to support the full list of services?

RESPONSE: Please just respond for the *specific scope of services* your firm will provide

4. **QUESTION:** Is a qualified firm/team expected to demonstrate the ability to provide **all of the services identified in the RFP**, or may firms submit qualifications based on the **specific disciplines and services they are qualified to provide**?

RESPONSE: No, a firm does not have to provide all of the services identified in the RFP. Please clarify in your response which disciplines you are submitting for

5. **QUESTION:** Do SF330 forms fall under the “federal standard Forms”?

RESPONSE: Yes.

6. **QUESTION:** Do Licenses and professional registrations count toward the (25) page limit?

RESPONSE: Copies of licenses and professional registrations can be included in an Appendix.

7. **QUESTION:** Are we allowed to physically print the booklet double-sided if it still adheres to the (25) page limit (excluding tabs, covers, and Federal Standard Forms)?

RESPONSE: Yes.

8. **QUESTION:** What form of construction management is anticipated?
RESPONSE: Construction Manager as Advisor.
