3	Vendor’s experience related to Integrated Data Systems and Use Case development	20 %
4	Vendor’s experience on similar projects	20 %
5	Vendor’s resources and capability to accomplish proposed work on schedule	10 %
TOTAL:		100%

K. OVERVIEW OF SELECTION PROCESS

1. User Group appointments are confidential.
2. User Group members will individually score each Vendor's submitted proposal which determines individual ranking. The Department's ranking is the combined ranking of all Committee members. Awarded Vendors, in order of ranking, may have the opportunity to negotiate an agreement with the Department. If the Department cannot reach an agreement with the highest ranked Vendor(s), the Department may terminate negotiations and begin negotiations with the next highest ranked Vendor, and so on until an agreement is reached. The Department will notify via email the awarded Vendor(s) of the opportunity to enter into an agreement with the Department. This notification also will include information on the next steps for the agreement process.
3. After the ranking process has been completed, applicable price information may be requested from the successful candidate Vendor(s), such as salary rates for various classifications of personnel and an indirect cost derivation for the most current accounting period.
4. Based upon the listed criteria and evaluation of each firm's submitted proposal, the User Group may decide if a small sample task and/or discussions will be held with the most highly qualified consultants. If discussions are held, they will serve to clarify the technical approach, qualifications, and capabilities provided in response to the RFP, after which the User Group will determine the ranking of the candidate firms
5. Rate determination and applicability is subject to audit by the Department. Additionally, candidates should be prepared for the Department to work with your current accounting Vendor to provide information and backup documentation. Full and immediate cooperation is required to avoid delays in execution of an agreement. Failure to cooperate may result in breaking off negotiations and moving to the next ranked Vendor.

8. Prices quoted in the proposal shall remain fixed and binding on the bidder at least through contract award. The State of Delaware reserves the right to ask for an extension of time if needed.
9. Proposals received after the specified date and time will not be accepted or considered. Sealed packages with the USB flash drive proposals shall be submitted, plainly marked with the proposal title, Vendor name, and time due. Evaluation of the proposals is expected to begin shortly after the proposal due date. To document compliance with the deadline, the Letter of Interest will be date and time stamped upon receipt.
10. The State of Delaware will receive proposals until the date and time shown in this RFP. Proposals will be opened in the presence of State of Delaware personnel. Any unopened proposals will be returned to the submitting Vendor.
11. Non-conforming proposals will not be considered. Non-conforming proposals are defined as those that do not meet the requirements of this RFP. The determination of whether an RFP requirement is substantive or a mere formality shall reside solely within the State of Delaware.
12. The State of Delaware discourages overly lengthy and costly proposals. It is the desire that proposals be prepared in a straightforward and concise manner. Unnecessarily elaborate brochures or other promotional materials beyond those sufficient to present a complete and effective proposal are not desired. The State of Delaware's interest is in the quality and responsiveness of the proposal.
13. It is the expectation of the State of Delaware that Vendors can fully satisfy the obligations of the proposal in the manner and timeframe defined within the proposal. Proposals must be realistic and must represent the best estimate of time, materials, and other costs, including the impact of inflation and any economic or other factors that are reasonably predictable.

The State of Delaware shall bear no responsibility or increase obligation for a Vendor's failure to accurately estimate the costs or resources required to meet the obligations defined in the proposal.

14. The State of Delaware and its constituent agencies are required to comply with the State of Delaware Freedom of Information Act, Title 29, Chapter 100 of the Delaware Code ("FOIA"). FOIA requires that the State of Delaware's records are public records (unless otherwise declared by FOIA or other law to be exempt from disclosure) and are subject to inspection and copying by any person upon a written request. All proposals are subject to FOIA's public disclosure obligations.

The State of Delaware wishes to create a business-friendly environment and procurement process. As such, the State respects the vendor community's desire to protect its intellectual property, trade secrets, and confidential business information (collectively referred to herein as "confidential business information"). Proposals must contain sufficient information to be evaluated. If a vendor feels that they cannot submit their proposal without including confidential business information, they must adhere to the following procedure, or their proposal may be deemed unresponsive, may not be recommended for selection, and any applicable protection for the vendor's confidential business information may be lost.

In order to allow the State to assess its ability to protect a vendor's confidential business information, vendors will be permitted to designate appropriate portions of their proposal as confidential business information.

Vendor(s) may submit portions of a proposal considered to be confidential business information in a separate file on their USB Flash drive and within the DTI Procurement Portal, labeled "Confidential Business Information" and include the specific RFP number. It must contain a letter from the vendor's legal counsel describing the documents representing in good faith that the information in each document is not "public record" as defined by 29 Del. C. § 10002, and briefly stating the reasons that each document meets the said definitions.

Upon receipt of a proposal accompanied by such the State of Delaware will evaluate to determine whether the procedure described above has been followed. A vendor's allegation as to its confidential business information shall not be binding on the State. The State shall independently determine the validity of any vendor designation as set forth in this section. Any vendor submitting a proposal or using the procedures discussed herein expressly accepts the State's absolute right and duty to independently assess the legal

and factual validity of any information designated as confidential business information. Accordingly, vendor(s) assume the risk that confidential business information included in a proposal may enter the public domain.

15. Multi-Vendor solutions (joint ventures) will be allowed only if one of the venture partners is designated as the "Prime Vendor". The "Prime Vendor" must be the joint venture's contact point for the State of Delaware and be responsible for the joint venture's performance under the contract, including all project management, legal and financial responsibility for the implementation of all Vendor systems. If a joint venture is proposed, a copy of the joint venture agreement clearly describing the responsibilities of the partners must be submitted with the proposal. Services specified in the proposal shall not be subcontracted without prior written approval by the State of Delaware, and approval of a request to subcontract shall not in any way relieve Vendor of responsibility for the professional and technical accuracy and adequacy of the work. Further, Vendor shall be and remain liable for all damages to the State of Delaware caused by negligent performance or non-performance of work by its subcontractor or its sub-subcontractor.

Multi-Vendor proposals must be a consolidated response with all cost included in the cost summary. Where necessary, RFP response pages are to be duplicated for each Vendor.

- a. The State of Delaware expects to negotiate and contract with only the "Prime Vendor". The State of Delaware will not accept any proposals that reflect an equal teaming arrangement or from Vendors who are co-bidding on this RFP. The Prime Vendor will be responsible for the management of all subcontractors.

Any contract that may result from this RFP shall specify that the prime Contractor is solely responsible for fulfillment of any contract with the State as a result of this procurement. The State will make contract payments only to the awarded Vendor. Payments to any-subcontractors are the sole responsibility of the prime Vendor (awarded Vendor).

Nothing in this section shall prohibit the State of Delaware from the full exercise of its options under the State's Right to Award Multiple Source Contracting Section of this RFP regarding multiple source contracting.

- b. The Vendor selected shall be solely responsible for contractual performance and management of all subcontract relationships. This contract allows subcontracting assignments; however, Vendors assume all responsibility for work quality, delivery, installation, maintenance, and any supporting services required by a subcontractor.

Use of subcontractors must be clearly explained in the proposal, and major subcontractors must be identified by name. The prime Vendor shall be wholly responsible for the entire contract performance whether or not subcontractors are used. Any subcontractors must be approved by State of Delaware.

- c. A primary Vendor may not participate in more than one proposal in any form. Sub-contracting Vendors may participate in multiple joint venture proposals.

16. Vendor is fully responsible for the completeness and accuracy of their proposal, and for examining this RFP and all addenda. Failure to do so will be at the sole risk of Vendor. Should Vendor find discrepancies, omissions, unclear or ambiguous intent or meaning, or should any questions arise concerning this RFP, Vendor shall notify the State of Delaware's Designated Contact, through the DTI of such findings at least ten (10) calendar days before the proposal submission deadline. This will allow issuance of any necessary addenda. It will also help prevent the review of a defective proposal and exposure of Vendor's proposal upon which award could not be made. All unresolved issues should be addressed in the proposal. Nothing in this section should be construed to alter the timelines delineated in Section F of this document. Any notifications of discrepancies, omissions, ambiguities, or questions reported within 10 calendars of the submission's deadline will not be considered or applied to Vendor's original submission.

17. Protests based on any omission or error, or on the content of the solicitation, will be disallowed if these faults have not been brought to the attention of the Designated Contact, in writing, at least ten (10) calendar days prior to the time set for opening of the proposals.

18. The State of Delaware reserves the right to accept or reject any or all proposals or any part of any proposal, to waive defects, technicalities or any specifications (whether they be in the State of Delaware's specifications or Vendor's

response), to sit and act as sole judge of the merit and qualifications of each product offered, or to solicit new proposals on the same project or on a modified project which may include portions of the originally proposed project as the State of Delaware may deem necessary in the best interest of the State of Delaware.

19. The State of Delaware reserves the right to cancel this solicitation at any time during the procurement process, for any reason or for no reason. The State of Delaware makes no commitments expressed or implied, that this process will result in a business transaction with any Vendor.

This RFP does not constitute an offer by the State of Delaware. Vendor's participation in this process may result in the State of Delaware selecting your organization to engage in further discussions and negotiations toward execution of a contract. The commencement of such negotiations does not, however, signify a commitment by the State of Delaware to execute a contract nor to continue negotiations. The State of Delaware may terminate negotiations at any time and for any reason, or for no reason.

20. Pursuant to 29 *Del. C.* [§ 6986](#), the State of Delaware may award a contract for a particular professional service to two or more Vendors if the agency head makes a determination that such an award is in the best interest of the State of Delaware.

21. Vendors shall be advised that the State, at its sole discretion, shall retain the right to solicit for goods and/or services as required by its agencies and as it serves the best interest of the State. As needs are identified, there may exist instances where contract deliverables, and/or goods or services to be solicited and subsequently awarded, overlap previous awards. The State reserves the right to reject any or all bids in whole or in part, to make partial awards, to award to multiple Vendors during the same period, to award by types, on a zone-by-zone basis or on an item-by-item or lump sum basis item by item, or lump sum total, whichever may be most advantageous to the State of Delaware.

22. The State of Delaware reserves the right to advertise a supplemental solicitation during the term of the Agreement if deemed in the best interest of the State.

23. Vendor may modify or withdraw its proposal by written request or within the DTI Procurement Portal, provided that both proposal and request is received by the State of Delaware prior to the proposal due date. Proposals may be re-submitted in accordance with the proposal due date in order to be considered further.

Proposals become the property of the State of Delaware at the proposal submission deadline. All proposals received are considered Vendor offers at that time.

24. If it becomes necessary to revise any part of the RFP, an addendum will be posted on the State of Delaware's website at www.bids.delaware.gov. The State of Delaware is not bound by any statement related to this RFP made by any State of Delaware employee, contracted Vendor, or its agents.
25. Any exceptions to the RFP, or the State of Delaware's terms and conditions, or the State's proposed Agreement template must be recorded on the Exceptions Form provided in Appendix B. Exceptions to the state's proposed Agreement template shall be documented using redlines. Acceptance of exceptions is within the sole discretion of the User Group.
26. The final award of a contract is subject to approval by the State of Delaware. The State of Delaware has the sole right to select the successful Vendor(s) for award, to reject any proposal as unsatisfactory or non-responsive, to award a contract to other than the lowest priced proposal, to award multiple contracts, or not to award a contract as a result of this RFP.

Notice in writing to a Vendor of award by the State of Delaware and the subsequent full execution of a written contract will constitute a contract, and no Vendor will acquire any legal or equitable rights or privileges until the occurrence of both such events.

27. The contract shall be awarded to the Vendor whose proposal is most advantageous, taking into consideration the evaluation factors set forth in the RFP.

It should be explicitly noted that the Department is not obligated to award the contract to the Vendor who submits the lowest bid or the Vendor who receives the highest total point score, rather the contract will be awarded to the Vendor whose proposal is the most advantageous to the Department. The award is subject to the appropriate State of Delaware approvals.

After all qualifying applicants' proposals have been reviewed, the State of Delaware will engage with the selected Vendor(s), in compliance with 29 *Del. C.* § 6982. Remaining vendors will be notified in writing of their selection status after negotiations have been completed.

28. Vendors, who have been awarded similar contracts through a competitive bidding process with a cooperative, are welcome to submit the cooperative pricing for this solicitation.
29. A User Group composed of representatives of the State of Delaware will evaluate proposals on a variety of quantitative criteria. Neither the lowest price nor highest scoring proposal will necessarily be selected.

The State of Delaware reserves full discretion to determine the competence and responsibility, professionally and/or financially, of Vendors. Vendors are to provide in a timely manner with any and all information that the State of Delaware may deem necessary to make a decision.

30. The User Group shall be comprised of representatives of the State of Delaware. The User Group shall determine which Vendors meet the minimum requirements pursuant to selection criteria of the RFP and procedures established in 29 *Del. C.* §§ [6981](#) and [6982](#). Professional services for this solicitation are considered under 29 *Del. C.* [§6982\(b\)](#). The Department may negotiate with one or more Vendors during the same period and may, at its discretion, terminate negotiations with any or all Vendors. The User Group shall make a recommendation regarding the award to DTI's Chief of Administration, who shall have final authority, subject to the provisions of this RFP and 29 *Del. C.* § [6982\(b\)](#), to award a contract to the successful Vendor in the best interests of the State of Delaware.

31. The User Group shall assign up to the maximum number of points for each Rating Criteria to each of the proposing Vendor's proposals. All assignments of points shall be at the sole discretion of the User Group.

The proposals shall contain the essential information on which the award decision shall be made. The information required to be submitted in response to this RFP has been determined by the State of Delaware to be essential for use by the Team in the bid evaluation and award process. Therefore, all instructions contained in this RFP shall be met in order to qualify as a responsive and responsible Vendor and participate in the User Group's consideration for award. Proposals which do not meet or comply with the instructions of this RFP may be considered non-conforming and deemed non-responsive and subject to disqualification at the sole discretion of the User Group.

The Team reserves the right to the following:

- a. Select for contract or for negotiations a proposal other than that with lowest costs.
 - b. Reject any and all proposals or portions of proposals received in response to this RFP or to make no award or issue a new RFP.
 - c. Waive or modify any information, irregularity, or inconsistency in proposals received.
 - d. Request modification to proposals from any or all Vendors during the contract review and negotiation.
 - e. Negotiate any aspect of the proposal with any Vendor and negotiate with more than one Vendor at the same time.
 - f. Select more than one Vendor pursuant to 29 Del. C. §6986. Such selection will be based on the Rating Criteria section found in this RFP.
32. The User Group may contact any Vendor in order to clarify uncertainties or eliminate confusion concerning the contents of a proposal. Proposals may not be modified as a result of any such clarification request.
 33. The User Group may contact any customer of the Vendor, whether or not included in the Vendor's reference list, and use such information in the evaluation process. Additionally, the State of Delaware may choose to visit existing installations of comparable systems, which may or may not include

Vendor personnel. If the Vendor is involved in such site visits, the State of Delaware will pay travel costs only for State of Delaware personnel for these visits.

34. After initial scoring and a determination that Vendor(s) are qualified to perform the required services, selected Vendors may be invited to make oral presentations to the User Group. All Vendor(s) selected will be given an opportunity to present to the User Group.

The selected Vendors will have their presentations scored or ranked based on their ability to successfully meet the needs of the contract requirements, successfully demonstrate their product and/or service, and respond to questions about the solution capabilities.

The Vendor representative(s) attending the oral presentation shall be technically qualified to respond to questions related to the proposed system and its components. All of the Vendor's costs associated with participation in oral discussions and system demonstrations conducted for the State of Delaware are the Vendor's responsibility.

M. TERMS AND CONDITIONS

1. Contract Use by Other Agencies

The Department of Technology and Information (DTI) allows other State of Delaware agencies to piggyback on the resulting contract by receiving written approval from the Department prior to engaging the awarded Vendor. The requesting agency will have to provide a letter to DTI from the Vendor allowing them to utilize the Agreement prior to a Participating Addendum being executed. Please contact the DTI Procurement Office by email at DTI_Procurement@delaware.gov to request access to use this contract.

REF: Title 29, Chapter [6904\(e\)](#) Delaware Code. If no state contract exists for a certain good or service, covered agencies may procure that certain good or service under another agency's contract so long as the arrangement is agreeable to all parties. Agencies, other than covered agencies, may also procure such goods or services under another agency's contract when the arrangement is agreeable to all parties.

2. Cooperative Use of Award

As a publicly competed contract awarded in compliance with 29 DE Code Chapter 69, this contract is available for use by other states and/or governmental entities through a participating addendum. Interested parties should contact the State Contract Procurement Officer identified in the contract for instruction. Final approval for permitting participation in this contract resides with the Department and in no way places any obligation upon the awarded Vendor(s).

3. General Information

- a. The selected Vendor will be required to enter into a written agreement with the State of Delaware. The State of Delaware reserves the right to incorporate standard State contractual provisions into any contract negotiated as a result of a proposal submitted in response to this RFP. Any proposed modifications to the terms and conditions of the standard contract are subject to review and approval by the State of Delaware. Vendors will be required to sign the contract for all services and may be required to sign additional agreements.
- b. The selected Vendor or Vendors will be expected to enter negotiations with the State of Delaware, which will result in a formal contract between parties. Procurement will be in accordance with subsequent contracted agreement. This RFP and the selected Vendor's response to this RFP will be incorporated as part of any formal contract.
- c. The State of Delaware's standard contract will most likely be supplemented with the Vendor's software license, support/maintenance, source code escrow agreements, and any other applicable agreements. The terms and conditions of these agreements will be negotiated with the finalist during actual contract negotiations.
- d. No Vendor is to begin any service prior to receipt of a State of Delaware purchase order signed by two authorized representatives of the agency requesting service, properly processed through the State of Delaware Accounting Office and the Department of Finance. The purchase order shall serve as the authorization to proceed in accordance with the bid specifications and the special instructions once it is received by the successful Vendor.

No other terms and conditions shall apply, including terms listed or referenced on the Contract Vendor's website, in the Contract Vendor quotation/sales order or in similar documents subsequently provided by the Contract Vendor.

- e. If the Vendor to whom the award is made fails to enter into the agreement as herein provided, the award will be annulled, and an award may be made to another Vendor. Such Vendor shall fulfill every stipulation embraced herein as if they were the party to whom the first award was made.
 - f. The State reserves the right to extend this contract on a month-to-month basis for a period of up to three months after the term of the full contract has been completed.
4. Any evidence of agreement or collusion among Vendor(s) and prospective Vendor(s) acting to illegally restrain freedom from competition by agreement to offer a fixed price, or otherwise, will render the offers of such Vendor(s) void.

By responding, the Vendor shall be deemed to have represented and warranted that its proposal is not made in connection with any competing Vendor submitting a separate response to this RFP, and is in all respects fair and without collusion or fraud; that the Vendor did not participate in the RFP development process and had no knowledge of the specific contents of the RFP prior to its issuance; and that no employee or official of the State of Delaware participated directly or indirectly in the Vendor's proposal preparation.

Advance knowledge of information which gives any particular Vendor advantages over any other interested Vendor(s), in advance of the opening of proposals, whether in response to advertising or an employee or representative thereof, will potentially void that particular proposal.

5. Lobbying or providing gratuities shall be strictly prohibited. Vendors found to be lobbying, providing gratuities to, or in any way attempting to influence a State of Delaware employee or agent of the State of Delaware concerning this RFP or the award of a contract resulting from this RFP shall have their proposal immediately rejected and shall be barred from further participation in this RFP.

The selected Vendor will warrant that no person or selling agency has been employed or retained to solicit or secure a contract resulting from this RFP upon agreement or understanding for a commission, or a percentage, brokerage, or contingent fee. For breach or violation of this warranty, the State of Delaware shall have the right to annul any contract resulting from this RFP without liability or at its discretion deduct from the contract price or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

All contact with State of Delaware employees, contracted Vendors or agents of the State of Delaware concerning this RFP shall be conducted in strict accordance with the manner, forum and conditions set forth in this RFP.

6. Until contract award, Vendors shall not, directly or indirectly, solicit any employee of the State of Delaware to leave the State of Delaware's employ in order to accept employment with the Vendor, its affiliates, actual or prospective Vendors, or any person acting in concert with Vendor, without prior written approval of the State of Delaware's contracting officer. Solicitation of State of Delaware employees by a Vendor may result in rejection of the Vendor's proposal.

This paragraph does not prevent the employment by a Vendor of a State of Delaware employee who has initiated contact with the Vendor. However, State of Delaware employees may be legally prohibited from accepting employment with the Vendor or subcontractor under certain circumstances. Vendors may not knowingly employ a person who cannot legally accept employment under state or federal law. If a Vendor discovers that they have done so, they must terminate that employment immediately.

7. The State's proposed contract terms can be found in the agreement template made part of this RFP as Appendix A.

Additionally, if the Vendor is determined to be in default of this mandatory report requirement may have such conduct considered against them, in assessment of responsibility, in the evaluation of future proposals.

16. DISPUTE RESOLUTION

- a. At the option of, and in the manner prescribed by the Department, the parties shall attempt in good faith to resolve any dispute arising out of or relating to this Agreement promptly by negotiation between executives who have authority to settle the controversy and who are at a higher level of management than the persons with direct responsibility for administration of this Agreement. All offers, promises, conduct and statements, whether oral or written, made in the course of the negotiation by any of the parties, their agents, employees, experts and attorneys are confidential, privileged and inadmissible for any purpose, including impeachment, in arbitration or other proceeding involving the parties, provided evidence that is otherwise admissible or discoverable shall not be rendered inadmissible.
- b. If the matter is not resolved by negotiation, as outlined above, or, alternatively, the Department elects to proceed directly to mediation, then the matter will proceed to mediation as set forth below. Any disputes, claims or controversies arising out of or relating to this Contract shall be submitted to mediation by a mediator selected by the Department, and if the matter is not resolved through mediation, then it shall be submitted, in the sole discretion of the Department Director, for final and binding arbitration. The Department reserves the right to proceed directly to arbitration or litigation without negotiation or mediation. Any such proceedings held pursuant to this provision shall be governed by Delaware law and venue shall be in Delaware. The parties shall maintain the confidential nature of the arbitration proceeding and the Award, including the Hearing, except as may be necessary to prepare for or conduct the arbitration hearing on the merits or if Delaware statutory authority mandates a disclosure of associated records. Each party shall bear its own costs of mediation, arbitration, or litigation, including attorneys' fees.

17. REMEDIES

Except as otherwise provided in this Agreement, all claims, counterclaims, disputes, and other matters in question between the State of Delaware and the Vendor arising out of, or relating to, this Agreement, or a breach of it may be decided by arbitration if the parties mutually agree, or in a court of competent jurisdiction within the State of Delaware.

18. SUSPENSION

- a. The Department may suspend performance by Vendor under this Contract for such period of time as the Department, at its sole discretion, may prescribe by providing written notice to Vendor at least thirty (30) working days prior to the date on which the Department wishes to suspend. Upon such suspension, the Department shall pay Vendor its compensation, based on the

percentage of the project completed and earned until the effective date of suspension, less all previous payments. Vendor shall not perform further work under this Contract after the effective date of suspension. Vendor shall not perform further work under this Contract after the effective date of suspension until receipt of written notice from Department to resume performance.

- b. In the event the Department suspends performance by Vendor for any cause other than the error or omission of the Vendor, for an aggregate period in excess of thirty (30) days, Vendor shall be entitled to an equitable adjustment of the compensation payable to Vendor under this Contract to reimburse Vendor for additional costs occasioned as a result of such suspension of performance by the Department based on appropriated funds and approval by the Department.

19. TERMINATION

- a. This Agreement may be terminated in whole or in part by either party in the event of substantial failure of the other party to fulfill its obligations under this Contract through no fault of the terminating party; but only after the other party is given:
 - i. Not less than twenty (20) calendar days written notice of intent to terminate; and
 - ii. An opportunity for consultation with the terminating party prior to termination.
- b. This Agreement may be terminated in whole or in part by the Department for its convenience, but only after Vendor is given:
 - i. Not less than twenty (20) calendar days written notice of intent to terminate; and
 - ii. An opportunity for consultation with the Department prior to termination.
- c. If termination for default is affected by the Department, the Department will pay the Vendor that portion of the compensation which has been earned as of the effective date of termination, but:
 - i. No amount shall be allowed for anticipated profit on performed or unperformed services or other work, and
 - ii. Any payment due to Vendor at the time of termination may be adjusted to the extent of any additional costs occasioned to the Department by reason of Vendor's default.
 - iii. Upon termination for default, the Department may take over the work and prosecute the same to completion by Agreement with another party or otherwise. In the event Vendor shall cease conducting business, the Department shall have the right to make an unsolicited offer of employment to any employees of Vendor assigned to the performance

of the Agreement.

- d. If after termination for failure of Vendor to fulfill contractual obligations, it is determined that Vendor has not so failed, the termination shall be deemed to have been effected for the convenience of the Department.
- e. The rights and remedies of the Department and Vendor provided in this section are in addition to any other rights and remedies provided by law or under this Agreement.
- f. Gratuities
 - i. The Department may, by written notice to Vendor, terminate this Agreement if it is found after notice and hearing by the Department that gratuities (in the form of entertainment, gifts, or otherwise) were offered or given by Vendor or any agent or representative of Vendor to any officer or employee of the Department with a view toward securing a contract or securing favorable treatment with respect to the awarding or amending or making of any determinations with respect to the performance of this Agreement.
 - ii. In the event this Agreement is terminated as hereof, the Department shall be entitled to pursue the same remedies against Vendor it could pursue in the event of a breach of this Agreement by Vendor.
 - iii. The rights and remedies of the Department shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

20. TERMINATION UPON INSOLVENCY

The State may, at its option and without notice, terminate this Agreement, effective immediately, should Vendor: (1) admit in writing its inability to pay its debts generally as they become due; (2) make a general assignment for the benefit of creditors; (3) institute proceedings to be adjudicated a voluntary bankrupt, or consent to the filing of a petition of bankruptcy against it; (4) be adjudicated by a court of competent jurisdiction as being bankrupt or insolvent; (5) seek reorganization under any bankruptcy act, or consent to the filing of a petition seeking such reorganization; or (6) have a decree entered against it by a court of competent jurisdiction appointing a receiver, liquidator, trustee, or assignee in bankruptcy or in insolvency covering all or substantially all of such party's property or providing for the liquidation of such party's property or business affairs.

21. SEVERABILITY

If any term or provision of this Agreement is found by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable, the same shall not affect the other terms or provisions hereof or the whole of this Agreement, but such term or provision shall be deemed modified to the extent necessary in the court's opinion to render such

term or provision enforceable, and the rights and obligations of the parties shall be construed and enforced accordingly, preserving to the fullest permissible extent the intent and agreements of the parties herein set forth.

22. IRS 1075 Publication (If Applicable)

a. Performance

In performance of this Agreement, the Vendor agrees to comply with and assume responsibility for compliance by his or her employees with the following requirements:

Information contained in such material shall be treated as confidential and shall not be divulged or made known in any manner to any person except as may be necessary in the performance of this Agreement. Inspection by or disclosure to anyone other than an officer or employee of the Vendor is prohibited.
- iv. All returns and return information will be accounted for upon receipt and properly stored before, during, and after processing. In addition, all related output and products will be given the same level of protection as required for the source material.
- v. No work involving returns and return information furnished under this Agreement will be subcontracted without prior written approval of the IRS.
- vi. The Vendor will maintain a list of employees authorized access. Such list will be provided to the Agency and, upon request, to the IRS reviewing office.
- vii. The Agency will have the right to void this Agreement if the Vendor fails to provide the safeguards described above.
- viii. The Vendor shall comply with agency incident response policies and procedures for reporting unauthorized disclosures of agency data.

b. Criminal/Civil Sanctions

Each officer or employee of any person to whom returns or return information is or may be disclosed shall be notified in writing by such person that returns or return information disclosed to such officer or employee can be used only for a purpose and to the extent authorized herein, and that further disclosure

of any such returns or return information for a purpose or to an extent unauthorized herein constitutes a felony punishable upon conviction by a fine of as much as \$5,000 or imprisonment for as long as five years, or both, together with the costs of prosecution. Such person shall also notify each such officer and employee that any such unauthorized future disclosure of returns or return information may also result in an award of civil damages against the officer or employee in an amount not less than \$1,000 with respect to each instance of unauthorized disclosure. These penalties are prescribed by IRCs 7213 and 7431 and set forth at 26 CFR 301.6103(n)-1.

Each officer or employee of any person to whom returns or return information is or may be disclosed shall be notified in writing by such person that any return or return information made available in any format shall be used only for the purpose of carrying out the provisions of this Agreement. Information contained in such material shall be treated as confidential and shall not be divulged or made known in any manner to any person except as may be necessary in the performance of this Agreement. Inspection by or disclosure to anyone without an official need-to-know constitutes a criminal misdemeanor punishable upon conviction by a fine of as much as \$1,000.00 or imprisonment for as long as 1 year, or both, together with the costs of prosecution. Such person shall also notify each such officer and employee that any such unauthorized inspection or disclosure of returns or return information may also result in an award of civil damages against the officer or employee [United States for Federal employees] in an amount equal to the sum of the greater of \$1,000.00 for each act of unauthorized inspection or disclosure with respect to which such defendant is found liable or the sum of the actual damages sustained by the plaintiff as a result of such unauthorized inspection or disclosure plus in the case of a willful inspection or disclosure which is the result of gross negligence, punitive damages, plus the costs of the action. The penalties are prescribed by IRCs 7213A and 7431 and set forth at 26 CFR 301.6103(n)-1.

Additionally, it is incumbent upon the Vendor to inform its officers and employees of the penalties for improper disclosure imposed by the Privacy Act of 1974, 5 U.S.C. 552a. Specifically, 5 U.S.C. 552a(i)(1), which is made applicable to Vendors by 5 U.S.C. 552a(m)(1), provides that any officer or employee of Vendor, who by virtue of his/her employment or official position, has possession of or access to agency records which contain individually identifiable information, the disclosure of which is prohibited by the Privacy Act or regulations established thereunder, and who knowing that disclosure of the specific material is so prohibited, willfully discloses the material in any

manner to any person or agency not entitled to receive it, shall be guilty of a misdemeanor and fined not more than \$5,000.

Granting Vendor access to FTI must be preceded by certifying that each individual understands the agency's security policy and procedures for safeguarding IRS information. Vendor must maintain its authorization to access FTI through annual recertification. The initial certification and recertification must be documented and placed in the agency's files for review. As part of the certification and at least annually afterwards, Vendor must be advised of the provisions of IRCs 7431, 7213, and 7213A (see Exhibit 4, Sanctions for Unauthorized Disclosure, and Exhibit 5, Civil Damages for Unauthorized Disclosure). The training provided before the initial certification and annually thereafter must also cover the incident response policy and procedure for reporting unauthorized disclosures and data breaches. (See Section 10) For both the initial certification and the annual certification, the Vendor must sign, either with ink or electronic signature, a confidentiality statement certifying their understanding of the security requirements.

c. Inspection

The IRS and the Agency, with 24-hour notice, shall have the right to send its inspectors into the offices and plants of the Vendor to inspect facilities and operations performing any work with FTI under this Agreement for compliance with requirements defined in IRS Publication 1075. The IRS' right of inspection shall include the use of manual and/or automated scanning tools to perform compliance and vulnerability assessments of information technology (IT) assets that access, store, process or transmit FTI. On the basis of such inspection, corrective actions may be required in cases where the Vendor is found to be noncompliant with contract safeguards.

23. FAIR BACKGROUND CHECK PRACTICES

Pursuant to 29 Del. C. [§ 6909B](#), the State does not consider the criminal record, criminal history, credit history or credit score of an applicant for state employment during the initial application process unless otherwise required by state and/or federal law. Vendors doing business with the State are encouraged to adopt fair background check practices. Vendors can refer to 19 Del. C. [§ 711\(g\)](#) for applicable established provisions.

24. VENDOR BACKGROUND CHECK REQUIREMENTS

- a. If Vendor has access to state property or will come in contact with vulnerable populations, including children and youth, they shall complete background checks on employees serving the State's on premises contracts. Unless otherwise directed, at a minimum, this shall include a check of the Delaware Sex Offender Central Registry at: <https://sexoffender.dsp.delaware.gov/>

- b. Individuals that are listed in the registry shall be prevented from direct contact in the service of this Agreement but may provide support or off-site premises service for contract Vendors. Should an individual be identified, and the Vendor believes its employee's service does not represent a conflict with this requirement, may apply for a waiver to the primary agency listed in the solicitation. The Agency's decision to allow or deny access to any individual identified on a registry database is final and at the Agency's sole discretion.
- c. By Agency request, the Vendor shall provide a list of all employees serving this Agreement and certify adherence to the background check requirement. Individual(s) found in the central registry in violation of the terms stated, shall be immediately prevented from a return to state property in service of this Agreement. A violation of this condition represents a violation of the terms and conditions of this Agreement, and may subject the Vendor to penalty, including cancellation for cause of this Agreement.
- d. Individual Purchase Orders may require additional background checks and/or security clearance(s), depending on the nature of the services to be provided or locations accessed, but any other requirements shall be stated in the contract scope of work or be a matter of common law. The Vendor shall be responsible for the background check requirements of any authorized Subcontractor providing service to an agency pursuant to this Agreement.
- e. Pursuant to 29 Del. C. § 9016G, any employees, contractors, and subcontractors who require access to DTI systems, facilities, or data must submit to a criminal background check. This criminal background check must include a report of the individual's entire state criminal history record information from the State Bureau of Identification (SBI) or a statement that the SBI Central Repository contains no such information relating to that individual and a report of the individual's entire federal criminal history record information from the Federal Bureau of Investigation (FBI) or a statement that the FBI's record contain no such information relating to that individual.

25. ASSIGNMENT; SUBCONTRACTS

- a. Any attempt by Vendor to assign or otherwise transfer any interest in this Agreement without the prior written consent of the Department shall be void. Such consent shall not be unreasonably withheld.
- b. Services specified by this Agreement shall not be subcontracted by the Vendor without prior written approval of the Department.
- c. As part of the Vendors team, Department approved subcontractors for this agreement are listed in **Appendix A**. Approved subcontractors may be added to or removed from this Agreement upon written approval from the Department as indicated in **Appendix A**.
- d. Approval by the Department of the Vendor's request to subcontract or

acceptance of or payment for subcontracted work by the Department shall not in any way relieve Vendor of responsibility for the professional and technical accuracy and adequacy of the work. All subcontractors shall adhere to all applicable provisions of this Agreement.

- e. Vendor shall be and remain liable for all damages to the Department caused by negligent performance or non-performance of work under this Agreement by Vendor, its subcontractor, or its sub-subcontractor.
- f. The compensation due shall not be affected by the Department's approval of the Vendor's request to subcontract.

26. FORCE MAJEURE

Neither party shall be liable for any delays or failures in performance due to circumstances beyond its reasonable control.

27. NON-APPROPRIATION OF FUNDS

- a. Validity and enforcement of this Agreement is subject to appropriations by the General Assembly of the specific funds necessary for contract performance. Should such funds not be so appropriated the Department may immediately terminate this Agreement, and absent such action this Agreement shall be terminated as to any obligation of the State requiring the expenditure of money for which no specific appropriation is available, at the end of the last fiscal year for which no appropriation is available or upon the exhaustion of funds.
- b. Notwithstanding any other provisions of this Agreement, this Agreement shall terminate and the Department's obligations under it shall be extinguished at the end of the fiscal year in which the Department fails to appropriate monies for the ensuing fiscal year sufficient for the payment of all amounts which will then become due.

28. STATE OF DELAWARE BUSINESS LICENSE

Vendor and all subcontractors represent that they are properly licensed and authorized to transact business in the State of Delaware as provided in 30 Del. C. § 2502.

29. COMPLETE AGREEMENT

- a. This Agreement and its Appendices shall constitute the entire Agreement between the Department and Vendor with respect to the subject matter of this Agreement and shall not be modified or changed without the express written consent of the parties. The provisions of this Agreement supersede all prior oral and written quotations, communications, agreements, and understandings of the parties with respect to the subject matter of this Agreement.

- b. Terms and conditions inconsistent with, contrary or in addition to the terms and Agreement, together with its Appendices, shall not be added to or incorporated into this Agreement and its Appendices, by any subsequent purchase order or otherwise, and any such attempts to add or incorporate such terms and conditions are hereby rejected. The terms and conditions of this Agreement and its Appendices shall prevail and govern in the case of any such inconsistent or additional terms.
- c. Any unilateral terms or conditions on any materials that Vendor generates and proposes as an agreement with the Purchasing Entity (e.g., pre-printed materials, order forms, invoices, browse-wrap or click-wrap terms and conditions) will be null and void and of no consequence whatsoever in interpreting the Parties' legal rights and responsibilities as they pertain to products or services provided by Vendor.
- d. Where a Purchasing Entity or any personnel associated with the Purchasing Entity are required to click-through or otherwise accept or made subject to any electronic terms and conditions to use or access any Product or Service purchased hereunder, such terms and conditions are not binding and shall have no force or effect as to the Product or Service, this Agreement, or the applicable order for the Product or Service.
- e. In case of conflict with any Appendices to this Agreement, this main body of this Agreement will govern. No Purchase order, Quote, Invoice or other attachment to this Agreement, including without limitation those executed after this main body of this Agreement, will be construed to amend this main body unless it specifically states its intent to "amend" this Agreement, under a clause or section entitled "Amendment," that cites the section or sections amended. Such an amendment executed through an Order will operate only with respect to the subject matter of such Order.
- f. If the scope of any provision of this Agreement is too broad in any respect whatsoever to permit enforcement to its full extent, then such provision shall be enforced to the maximum extent permitted by law, and the parties hereto consent and agree that such scope may be judicially modified accordingly and that the whole of such provisions of the Agreement shall not thereby fail, but the scope of such provision shall be curtailed only to the extent necessary to conform to the law.
- g. Vendor may not order any product requiring a purchase order prior to the Department's issuance of such order. No other agreements, representations, warranties, or other matters, whether oral or written, shall be deemed to bind the parties hereto with respect to the subject matter hereof.

30. MISCELLANEOUS PROVISIONS

- a. In performance of this Agreement, Vendor shall comply with all applicable

federal, state, and local laws, ordinances, codes, and regulations. Vendor shall solely bear the costs of permits and other relevant costs required in the performance of this Agreement.

- b. Neither this Agreement nor any Attachment may be modified or amended except by the mutual written agreement of the parties. No waiver of any provision of this Agreement shall be effective unless it is in writing and signed by the party against which it is sought to be enforced.
- c. The delay or failure by either party to exercise or enforce any of its rights under this Agreement shall not constitute or be deemed a waiver of that party's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.
- d. Vendor covenants that it presently has no interest and that it will not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed under this Agreement. Vendor further covenants, to its knowledge and ability, that in the performance of said services no person having any such interest shall be employed.
- e. Vendor acknowledges that the Department has an obligation to ensure that public funds are not used to subsidize private discrimination. Vendor recognizes that if they refuse to hire or do business with an individual or company due to reasons of race, color, gender, ethnicity, disability, national origin, age, or any other protected status, the Department may declare Vendor in breach of the Agreement, terminate the Agreement, and designate Vendor as non-responsible.
- f. Vendor warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon an Agreement or understanding for a commission, or a percentage, brokerage, or contingent fee. For breach or violation of this warranty, the Department shall have the right to annul this contract without liability or at its discretion deduct from the contract price or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.
- g. This Agreement was drafted with the joint participation of both parties and shall be construed neither against nor in favor of either, but rather in accordance with the fair meaning thereof.
- h. Vendor shall maintain all public records, as defined by 29 Del. C. ' 502(1), relating to this Agreement and its deliverables for the time and in the manner specified by the Delaware Division of Archives, pursuant to the Delaware Public Records Law, 29 Del. C. Ch. 5. During the term of this Agreement, authorized representatives of the Department may inspect or audit Vendor's performance and records pertaining to this Agreement at the Vendor business

- k. Vendor must provide clear notice to the Department before making any material changes to the Vendor's privacy policy.
