**II. Scope of Services**

A. Identification of Abandoned and Unclaimed Property

1. The Delaware Department of Finance's Office of Unclaimed Property (the "OUP" or the "State"), is looking for vendors to conduct examinations of Holders and identify abandoned and unclaimed property held by Holders that are subject to report and deliver such property under the Delaware Abandoned Property Law. All examinations to be performed by vendors will be assigned by the Department in writing. There is no guarantee that the Department will assign a particular examination, or any examinations, to the vendors or that any assigned examination will be of a particular size or complexity, or that a vendor will complete a particular examination. The Department will assign, transfer, or terminate examinations to vendors in the best interest of the State.
2. Vendors will identify and examine, abandoned and unclaimed property from any Holders that may have a reporting obligation to the State of Delaware.
3. Vendors must notify the OUP, if a Holder company that is assigned to a vendor files for bankruptcy before or during an approved examination within seven (7) days of discovery by the vendor of the bankruptcy filing. In such a case, vendor will prepare a proof of claim or provide such information to enable the OUP to file a proof of claim within seven (7) days of discovery by the vendor of the bankruptcy filing.
4. Vendors must adhere to the scope of examination set forth under the Delaware Abandoned Property Law for the period of 10 years prior to when property was presumed abandoned as of the date of an examination notice, through the most recent reportable year due at the conclusion of the examination, unless otherwise agreed by the State Escheator and the Holder. See 12 Del. C. § 1172(h).
5. Vendors must adhere to the Delaware Abandoned Property Law in conducting examinations. The holdings of the U.S. Supreme Court in *Texas v. New Jersey*, 379 U.S. 674 (1965), *Pennsylvania v. New York*, 407 U.S. 206 (1972), *Delaware v. New York*, 507 U.S. 490 (1993), and *Delaware v. Pennsylvania*, 598 U.S. 115 (2023), and any applicable federal legislation

regarding which state has the right to escheat property shall be followed. These holdings, as they apply to a contract awarded under this RFP, are summarized as follows:

- a) Where the name and last known address of the apparent owner of property according to the books and records of the Holder is in the State of Delaware, it shall be deemed to be reportable to the OUP.
  - b) If the Holder has never maintained records setting forth the name and last known address of the apparent owner of property, or the last known address is unknown, the property shall be deemed reportable to the state of incorporation or formation of the Holder.
  - c) Where the name and last known address of the apparent owner of property according to the books and records of the Holder is in a foreign jurisdiction, and that foreign jurisdiction does not provide for the custodial taking of or specifically exempt the property, it shall be deemed reportable to the state of incorporation or formation of the Holder.
  - d) If the above rules do not provide for a case, or the state having the priority claim cannot be determined, vendors must notify the OUP of such fact if the Holder is incorporated in or formed under the laws of Delaware or if an address in Delaware may be established from the books or records of the Holder.
6. If for certain periods the amount of reportable property cannot be ascertained from the books and records of the Holder, projection and estimation techniques may be used to determine the reportable amounts of abandoned and unclaimed property for such periods. If names and addresses exist with respect to the abandoned and unclaimed property used in the projection and estimation, the names and addresses shall not be used to determine which state has the priority claim to the abandoned and unclaimed property estimated to be due.
  7. All sampling and projection and estimation techniques used by vendors will use a method approved by the OUP's Director prior to their use.

**B. Demand for Delivery of Unclaimed Property**

1. The OUP will direct Holders or transfer agents to deliver all cash, securities, and related owner information to the OUP.

3. If the property being transferred is virtual currency, the Holder shall liquidate the virtual currency and remit the proceeds to OUP.

C. Report Forms

1. Vendors shall make a report of abandoned and unclaimed property payable to the OUP within thirty (30) calendar days once the property is identified and the Holder agrees that it is subject to report and delivery to the OUP under the Delaware Abandoned Property Law.
2. At the end of each week, a progress report of all examinations assigned, work in progress, and examinations completed containing such information as the OUP may require will be submitted to the OUP. The contact person designated by vendors will consult, either by phone or in person, with the OUP at least once a week to discuss the status of open and pending examinations.
3. Upon completion of an examination vendors will deliver a completed Holder report, via electronic media, pursuant to the OUP's specifications.
4. The results of the examination will be contained in a Report of Examination to be provided to the OUP with respect to each Holder examined. The Report of Examination will include findings resulting from the examination including the application of any sampling techniques and any other information, including contested matters not resolved with the Holder and the Holder's position thereon necessary to explain the findings to the OUP. Vendors will not direct the Holder to deliver property until such time as the OUP has reconciled any disputed matters and determined in its sole discretion the report which should be filed and the amount of abandoned and unclaimed property that should be paid to the OUP.

D. Examination Procedures

1. The examination of the books and records of abandoned and unclaimed property and the demand for delivery of reportable property shall be made pursuant to the laws of Delaware and shall adhere examination standards to be established by the Director.
2. No records obtained in an examination can be used by the Auditor in a joint examination conducted with other states unless the Holder agrees to the joint examination in writing.

STATE OF DELAWARE  
Department of Finance Office of Unclaimed Property

3. Vendors shall commence examination within 30 days from the date the Holder is notified of vendors' assignment to examine, identify and demand abandoned and unclaimed property.
4. Vendors shall complete the identification and reporting of abandoned and unclaimed property to the OUP as soon as is practical after commencing the examination.
5. Vendors may inform a Holder of Delaware law regarding penalties and interest; however, only the OUP may assert penalties and interest against an examined Holder.
6. All findings in connection with the examination of Holders and the demands for payment of the abandoned and unclaimed property shall be made pursuant to the laws of Delaware.

E. Cooperation

1. The OUP will send such notices that may be required to each examination candidate naming the vendors as its agent and will assist vendors in obtaining access to the records that are necessary to complete its audit. In addition, the Director or her designee will co-operate with the vendors during conduct of the audit and in assisting the vendors in making demand for delivery of the unclaimed property.
2. If a Holder refuses to subject itself to an examination by the vendors or is uncooperative in an ongoing examination by the vendors, or refuses to remit funds or securities after demand, then the vendors will notify the OUP within seven (7) days of such occurrence.

Any proposal received after the Deadline for Receipt of Proposals date shall not be considered and shall be returned unopened. The proposing vendor bears the risk of delays in delivery and any costs for returned proposals. The contents of any proposal shall not be disclosed as to be made available to competing entities during the negotiation process.

Upon receipt of vendor proposals, each vendor shall be presumed to be thoroughly familiar with all specifications and requirements of this RFP. The failure or omission to examine any form, instrument or document shall in no way relieve vendors from any obligation in respect to this RFP.

**3. Proposal Modifications**

Any changes, amendments or modifications to a proposal must be made in writing, submitted in the same manner as the original response and conspicuously labeled as a change, amendment or modification to a previously submitted proposal. Changes, amendments or modifications to proposals shall not be accepted or considered after the hour and date specified as the deadline for submission of proposals.

**6. Late Proposals**

Proposals received after the specified date and time will not be accepted or considered. **8. Non-Conforming Proposals**

Non-conforming proposals will not be considered. Non-conforming proposals are defined as those that do not meet the requirements of this RFP. The determination of whether an RFP requirement is substantive or a mere formality shall reside solely within the State of Delaware.

STATE OF DELAWARE  
Department of Finance Office of Unclaimed Property

**9. Concise Proposals**

The State of Delaware discourages overly lengthy and costly proposals. It is the desire that proposals be prepared in a straightforward and concise manner. Unnecessarily elaborate brochures or other promotional materials beyond those sufficient to present a complete and effective proposal are not desired. The State of Delaware's interest is in the quality and responsiveness of the proposal.

**10. Realistic Proposals**

It is the expectation of the State of Delaware that vendors can fully satisfy the obligations of the proposal in the manner and timeframe defined within the proposal. Proposals must be realistic and must represent the best estimate of time, materials and other costs including the impact of inflation and any economic or other factors that are reasonably predictable.

The State of Delaware shall bear no responsibility or increase obligation for a vendor's failure to accurately estimate the costs or resources required to meet the obligations defined in the proposal.

**11. Confidentiality of Documents**

The State of Delaware and its constituent agencies are required to comply with the State of Delaware Freedom of Information Act, 29 Del. C. § 10001, et seq. ("FOIA"). FOIA requires that the State of Delaware's records are public records (unless otherwise declared by FOIA or other law to be exempt from disclosure) and are subject to inspection and copying by any person upon a written request. All proposals are subject to FOIA's public disclosure obligations.

The State of Delaware wishes to create a business-friendly environment and procurement process. As such, the State respects the vendor community's desire to protect its intellectual property, trade secrets, and confidential business information (collectively referred to herein as "confidential business information"). Proposals must contain sufficient information to be evaluated. If a vendor feels that they cannot submit their proposal without including confidential business information, they must adhere to the following procedure, or their proposal may be deemed unresponsive, may not be recommended for selection, and any applicable protection for the vendor's confidential business information may be lost.

In order to allow the State to assess its ability to protect a vendor's confidential business information, vendors will be permitted to designate appropriate portions of their proposal as confidential business information.

Vendor(s) may submit portions of a proposal considered to be confidential business information in a separate, sealed envelope labeled "Confidential Business Information" and include the specific RFP number. The envelope must contain a letter from the vendor's legal counsel describing the documents in the envelope, representing in good faith that the information in each document is not "public record" as defined by 29 Del. C. § 10002, and briefly stating the reasons that each document meets the said definitions.

STATE OF DELAWARE  
Department of Finance Office of Unclaimed Property

Upon receipt of a proposal accompanied by such a separate, sealed envelope, the State of Delaware will open the envelope to determine whether the procedure described above has been followed. A vendor's allegation as to its confidential business information shall not be binding on the State. The State shall independently determine the validity of any vendor designation as set forth in this section. Any vendor submitting a proposal or using the procedures discussed herein expressly accepts the State's absolute right and duty to independently assess the legal and factual validity of any information designated as confidential business information. Accordingly, vendor(s) assume the risk that confidential business information included in a proposal may enter the public domain.

**12. Multi-Vendor Solutions (Joint Ventures)**

Multi-vendor solutions (joint ventures) will be allowed only if one of the venture partners is designated as the "**prime contractor**". The "**prime contractor**" must be the joint venture's contact point for the State of Delaware and be responsible for the joint venture's performance under the contract, including all project management, legal and financial responsibility for the implementation of all vendor systems. If a joint venture is proposed, a copy of the joint venture agreement clearly describing the responsibilities of the partners must be submitted with the proposal. Services specified in the proposal shall not be subcontracted without prior written approval by the State of Delaware, and approval of a request to subcontract shall not in any way relieve Vendor of responsibility for the professional and technical accuracy and adequacy of the work. Further, vendor shall be and remain liable for all damages to the State of Delaware caused by negligent performance or non-performance of work by its subcontractor or its sub-subcontractor.

Multi-vendor proposals must be a consolidated response with all cost included in the cost summary. Where necessary, RFP response pages are to be duplicated for each vendor.

**a. Primary Vendor**

The State of Delaware expects to negotiate and contract with only one "prime vendor". The State of Delaware will not accept any proposals that reflect an equal teaming arrangement or from vendors who are co-bidding on this RFP. The prime vendor will be responsible for the management of all subcontractors.

Any contract that may result from this RFP shall specify that the prime vendor is solely responsible for fulfillment of any contract with the State as a result of this procurement. The State will make contract payments only to the awarded vendor. Payments to any-subcontractors are the sole responsibility of the prime vendor (awarded vendor).

Nothing in this section shall prohibit the State of Delaware from the full exercise of its options under Section IV.B.18 regarding multiple source contracting.

**b. Sub-contracting**

The vendor selected shall be solely responsible for contractual performance and management of all subcontract relationships. This contract allows subcontracting assignments; however, vendors assume all responsibility for work quality, delivery, installation, maintenance, and any supporting services required by a subcontractor.

STATE OF DELAWARE  
Department of Finance Office of Unclaimed Property

Use of subcontractors must be clearly explained in the proposal, and major subcontractors must be identified by name. **The prime vendor shall be wholly responsible for the entire contract performance whether or not subcontractors are used.** Any sub-contractors must be approved by State of Delaware.

**c. Multiple Proposals**

A primary vendor may not participate in more than one proposal in any form. Sub-contracting vendors may participate in multiple joint venture proposals.

**13. Sub-Contracting**

The vendor selected shall be solely responsible for contractual performance and management of all subcontract relationships. This contract allows subcontracting assignments; however, vendors assume all responsibility for work quality, delivery, installation, maintenance, and any supporting services required by a subcontractor.

Use of subcontractors must be clearly explained in the proposal, and subcontractors must be identified by name. Any sub-contractors must be approved by State of Delaware.

**14. Discrepancies and Omissions**

Vendor is fully responsible for the completeness and accuracy of their proposal, and for examining this RFP and all addenda. Failure to do so will be at the sole risk of vendor. Should vendor find discrepancies, omissions, unclear or ambiguous intent or meaning, or should any questions arise concerning this RFP, vendor shall notify the State of Delaware's Designated Contact, in writing, of such findings at least ten (10) days before the proposal opening. This will allow issuance of any necessary addenda. It will also help prevent the opening of a defective proposal and exposure of vendor's proposal upon which award could not be made. All unresolved issues should be addressed in the proposal.

Protests based on any omission or error, or on the content of the solicitation, will be disallowed if these faults have not been brought to the attention of the Designated Contact, in writing, at least ten (10) calendar days prior to the time set for opening of the proposals.

**a. RFP Question and Answer Process**

The State of Delaware will allow written requests for clarification of the RFP. All questions shall be received no later than **June 19, 2025**. All questions will be consolidated into a single set of responses and posted on the State's website at [www.bids.delaware.gov](http://www.bids.delaware.gov) by the date of **July 3, 2025**. Vendor names will be removed from questions in the responses released. Questions should be submitted in the following format. Deviations from this format will not be accepted.

**15. State's Right to Reject Proposals**

The State of Delaware reserves the right to accept or reject any or all proposals or any part of any proposal, to waive defects, technicalities or any specifications (whether they be in the State of Delaware's specifications or vendor's response), to sit and act as sole judge of the merit and qualifications of each product offered, or to solicit new proposals on the same project or on a modified project which may include portions of the originally proposed project as the State of Delaware may deem necessary in the best interest of the State of Delaware.

**16. State's Right to Cancel Solicitation**

The State of Delaware reserves the right to cancel this solicitation at any time during the procurement process, for any reason or for no reason. The State of Delaware makes no commitments expressed or implied, that this process will result in a business transaction with any vendor.

This RFP does not constitute an offer by the State of Delaware. Vendor's participation in this process may result in the State of Delaware selecting your organization to engage in further discussions and negotiations toward execution of a contract. The commencement of such negotiations does not, however, signify a commitment by the State of Delaware to execute a contract nor to continue negotiations. The State of Delaware may terminate negotiations at any time and for any reason, or for no reason.

**17. State's Right to Award Multiple Source Contracting**

Pursuant to 29 *Del. C.* [§ 6986](#), the State of Delaware may award a contract for a particular professional service to two or more vendors if the agency head makes a determination that such an award is in the best interest of the State of Delaware.

**18. Potential Contract Overlap**

Vendors shall be advised that the State, at its sole discretion, shall retain the right to solicit for goods and/or services as required by its agencies and as it serves the best interest of the State. As needs are identified, there may exist instances where contract deliverables, and/or goods or services to be solicited and subsequently awarded, overlap previous awards. The State reserves the right to reject any or all bids in whole or in part, to make partial awards, to award to multiple vendors during the same period, to award by types, on a zone-by-zone basis or on an item-by-item or lump sum basis item by item, or lump sum total, whichever may be most advantageous to the State of Delaware.

**20. Supplemental Solicitation**

The State reserves the right to advertise a supplemental solicitation during the term of the Agreement if deemed in the best interest of the State.

STATE OF DELAWARE  
Department of Finance Office of Unclaimed Property

**21. Notification of Withdrawal of Proposal**

Vendor may modify or withdraw its proposal by written request, provided that both proposal and request is received by the State of Delaware prior to the proposal due date. Proposals may be re-submitted in accordance with the proposal due date in order to be considered further.

Proposals become the property of the State of Delaware at the proposal submission deadline. All proposals received are considered firm offers at that time.

**22. Revisions to the RFP**

If it becomes necessary to revise any part of the RFP, an addendum will be posted on the State of Delaware's website at [www.bids.delaware.gov](http://www.bids.delaware.gov). The State of Delaware is not bound by any statement related to this RFP made by any State of Delaware employee, contractor or its agents.

**23. Exceptions to the RFP**

Any exceptions to the RFP, or the State of Delaware's terms and conditions, must be recorded on Attachment 3. Acceptance of exceptions is within the sole discretion of the evaluation committee.

**24. Business References**

Provide at least three (3) business references consisting of current or previous customers of similar scope and value using Attachment 5. Include business name, mailing address, contact name and phone number, number of years doing business with, and type of work performed. Personal references cannot be considered.

**25. Award of Contract**

The final award of a contract is subject to approval by the State of Delaware. The State of Delaware has the sole right to select the successful vendor(s) for award, to reject any proposal as unsatisfactory or non-responsive, to award a contract to other than the lowest priced proposal, to award multiple contracts, or not to award a contract, as a result of this RFP.

Notice in writing to a vendor of the acceptance of its proposal by the State of Delaware and the subsequent full execution of a written contract will constitute a contract, and no vendor will acquire any legal or equitable rights or privileges until the occurrence of both such events.

**a. RFP Award Notifications**

After reviews of the evaluation committee report and its recommendation, and once the contract terms and conditions have been finalized, the State of Delaware will award the contract.

The contract shall be awarded to the vendor whose proposal is most advantageous, taking into consideration the evaluation factors set forth in the RFP.

It should be explicitly noted that the State of Delaware is not obligated to award the contract to the vendor who submits the lowest bid or the vendor who receives the highest total point score, rather the contract will be awarded to the vendor

STATE OF DELAWARE  
Department of Finance Office of Unclaimed Property

whose proposal is the most advantageous to the State of Delaware. The award is subject to the appropriate State of Delaware approvals.

After a final selection is made, the winning vendor will be invited to negotiate a contract with the State of Delaware; remaining vendors will be notified in writing of their selection status.

**26. Cooperatives**

Vendors, who have been awarded similar contracts through a competitive bidding process with a cooperative, are welcome to submit the cooperative pricing for this solicitation. **State of Delaware terms will take precedence.**

**C. RFP Evaluation Process**

An evaluation team composed of representatives of the State of Delaware will evaluate proposals on a variety of quantitative criteria. Neither the lowest price nor highest scoring proposal will necessarily be selected.

The State of Delaware reserves full discretion to determine the competence and responsibility, professionally and/or financially, of vendors. Vendors are to provide in a timely manner any and all information that the State of Delaware may deem necessary to make a decision.

**1. Proposal Evaluation Team**

The Proposal Evaluation Team shall be comprised of representatives of the State of Delaware. The Team shall determine which vendors meet the minimum requirements pursuant to selection criteria of the RFP and procedures established in 29 *Del. C.* §§ [6981 and 6982](#). Professional services for this solicitation are considered under 29 *Del. C.* § 6982(b). The Team may negotiate with one or more vendors during the same period and may, at its discretion, terminate negotiations with any or all vendors. The Team shall make a recommendation regarding the award to the Director, who shall have final authority, subject to the provisions of this RFP and 29 *Del. C.* § [6982\(b\)](#), to award a contract to the successful vendor in the best interests of the State of Delaware.

**2. Proposal Selection Criteria**

The Proposal Evaluation Team shall assign up to the maximum number of points for each Evaluation Item to each of the proposing vendor's proposals. All assignments of points shall be at the sole discretion of the Proposal Evaluation Team.

The proposals shall contain the essential information on which the award decision shall be made. The information required to be submitted in response to this RFP has been determined by the State of Delaware to be essential for use by the Team in the bid evaluation and award process. Therefore, all instructions contained in this RFP shall be met in order to qualify as a responsive and responsible contractor and participate in the Proposal Evaluation Team's consideration for award. Proposals which do not meet or comply with the instructions of this RFP may be considered non-conforming and deemed non-responsive and subject to disqualification at the sole discretion of the Team.

STATE OF DELAWARE

## V. Contract Terms and Conditions

### 1. Contract Use by Other Agencies

**REF: Title 29, Chapter 6904(e) Delaware Code.** If no state contract exists for a certain good or service, covered agencies may procure that certain good or service under another agency's contract so long as the arrangement is agreeable to all parties. Agencies, other than covered agencies, may also procure such goods or services under another agency's contract when the arrangement is agreeable to all parties.

### 2. Cooperative Use of Award

As a publicly competed contract awarded in compliance with 29 DE Code Chapter 69, this contract is available for use by other states and/or governmental entities through a participating addendum. Interested parties should contact the State Contract Procurement Officer identified in the contract for instruction. Final approval for permitting participation in this contract resides with the Director of Government Support Services and in no way places any obligation upon the awarded vendor(s).

### 3. As a Service Subscription

As a Service subscription license costs shall be incurred at the individual license level only as the individual license is utilized within a fully functioning solution. Subscription costs will not be applicable during periods of implementation and solution development prior to the State's full acceptance of a working solution. Additional subscription license requests above actual utilization may not exceed 5% of the total and are subject to Delaware budget and technical review.

### 4. General Information

- a. The term of the contract between the successful bidder and the State shall be for   3   years with   2   optional extensions for a period of three (3) year for each extension.
- b. The selected vendor will be required to enter into a written agreement with the State of Delaware. The State of Delaware reserves the right to incorporate standard State contractual provisions into any contract negotiated as a result of a proposal submitted in response to this RFP. Any proposed modifications to the terms and conditions of the standard contract are subject to review and approval by the State of Delaware. Vendors will be required to sign the contract for all services, and may be required to sign additional agreements.
- c. The selected vendor or vendors will be expected to enter negotiations with the State of Delaware, which will result in a formal contract between parties. Procurement will be in accordance with subsequent contracted agreement. This RFP and the selected vendor's response to this RFP will be incorporated as part of any formal contract.
- d. The State of Delaware's standard contract will most likely be supplemented with the vendor's software license, support/maintenance, source code escrow agreements, and any other applicable agreements. The terms and conditions of

STATE OF DELAWARE  
Department of Finance Office of Unclaimed Property

these agreements will be negotiated with the finalist during actual contract negotiations.

- e. The successful vendor shall promptly execute a contract incorporating the terms of this RFP within twenty (20) days after award of the contract. No vendor is to begin any service prior to receipt of a State of Delaware purchase order signed by two authorized representatives of the agency requesting service, properly processed through the State of Delaware Accounting Office and the Department of Finance. The purchase order shall serve as the authorization to proceed in accordance with the bid specifications and the special instructions, once it is received by the successful vendor.
- f. If the vendor to whom the award is made fails to enter into the agreement as herein provided, the award will be annulled, and an award may be made to another vendor. Such vendor shall fulfill every stipulation embraced herein as if they were the party to whom the first award was made.
- g. The State reserves the right to extend this contract on a month-to-month basis for a period of up to three months after the term of the full contract has been completed.
- h. Vendors are not restricted from offering lower pricing at any time during the contract term.

**5. Collusion or Fraud**

Any evidence of agreement or collusion among vendor(s) and prospective vendor(s) acting to illegally restrain freedom from competition by agreement to offer a fixed price, or otherwise, will render the offers of such vendor(s) void.

By responding, the vendor shall be deemed to have represented and warranted that its proposal is not made in connection with any competing vendor submitting a separate response to this RFP, and is in all respects fair and without collusion or fraud; that the vendor did not participate in the RFP development process and had no knowledge of the specific contents of the RFP prior to its issuance; and that no employee or official of the State of Delaware participated directly or indirectly in the vendor's proposal preparation.

Advance knowledge of information which gives any particular vendor advantages over any other interested vendor(s), in advance of the opening of proposals, whether in response to advertising or an employee or representative thereof, will potentially void that particular proposal.

**6. Lobbying and Gratuities**

Lobbying or providing gratuities shall be strictly prohibited. Vendors found to be lobbying, providing gratuities to, or in any way attempting to influence a State of Delaware employee or agent of the State of Delaware concerning this RFP or the award of a contract resulting from this RFP shall have their proposal immediately rejected and shall be barred from further participation in this RFP.

The selected vendor will warrant that no person or selling agency has been employed or retained to solicit or secure a contract resulting from this RFP upon agreement or understanding for a commission, or a percentage, brokerage or contingent fee. For breach or violation of this warranty, the State of Delaware shall have the right to annul any contract resulting from this RFP without liability or at its discretion deduct from the

STATE OF DELAWARE  
Department of Finance Office of Unclaimed Property

contract price or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee.

All contact with State of Delaware employees, contractors or agents of the State of Delaware concerning this RFP shall be conducted in strict accordance with the manner, forum and conditions set forth in this RFP.

**7. Solicitation of State Employees**

Until contract award, vendors shall not, directly or indirectly, solicit any employee of the State of Delaware to leave the State of Delaware's employ in order to accept employment with the vendor, its affiliates, actual or prospective contractors, or any person acting in concert with vendor, without prior written approval of the State of Delaware's contracting officer. Solicitation of State of Delaware employees by a vendor may result in rejection of the vendor's proposal.

This paragraph does not prevent the employment by a vendor of a State of Delaware employee who has initiated contact with the vendor. However, State of Delaware employees may be legally prohibited from accepting employment with the contractor or subcontractor under certain circumstances. Vendors may not knowingly employ a person who cannot legally accept employment under state or federal law. If a vendor discovers that they have done so, they must terminate that employment immediately.

**8. General Contract Terms**

**a. Independent Contractors**

The parties to the contract shall be independent contractors to one another, and nothing herein shall be deemed to cause this agreement to create an agency, partnership, joint venture or employment relationship between parties. Each party shall be responsible for compliance with all applicable workers compensation, unemployment, disability insurance, social security withholding and all other similar matters. Neither party shall be liable for any debts, accounts, obligations or other liability whatsoever of the other party or any other obligation of the other party to pay on the behalf of its employees or to withhold from any compensation paid to such employees any social benefits, workers compensation insurance premiums or any income or other similar taxes.

It may be at the State of Delaware's discretion as to the location of work for the contractual support personnel during the project period. The State of Delaware may provide working space and sufficient supplies and material to augment the Contractor's services.

**b. Temporary Personnel are Not State Employees Unless and Until They are Hired**

Vendor agrees that any individual or group of temporary staff person(s) provided to the State of Delaware pursuant to this Solicitation shall remain the employee(s) of Vendor for all purposes including any required compliance with the Affordable Care Act by the Vendor. Vendor agrees that it shall not allege, argue, or take any position that individual temporary staff person(s) provided to the State pursuant to this Solicitation must be provided any benefits, including any healthcare benefits by the State of Delaware and Vendor agrees to assume the total and complete

STATE OF DELAWARE  
Department of Finance Office of Unclaimed Property

responsibility for the provision of any healthcare benefits required by the Affordable Care Act to aforesaid individual temporary staff person(s). In the event that the Internal Revenue Service, or any other third party governmental entity determines that the State of Delaware is a dual employer or the sole employer of any individual temporary staff person(s) provided to the State of Delaware pursuant to this Solicitation, Vendor agrees to hold harmless, indemnify, and defend the State to the maximum extent of any liability to the State arising out of such determinations.

Notwithstanding the content of the preceding paragraph, should the State of Delaware subsequently directly hire any individual temporary staff employee(s) provided pursuant to this Solicitation, the aforementioned obligations to hold harmless, indemnify, and defend the State of Delaware shall cease and terminate for the period following the date of hire. Nothing herein shall be deemed to terminate the Vendor's obligation to hold harmless, indemnify, and defend the State of Delaware for any liability that arises out of compliance with the ACA prior to the date of hire by the State of Delaware. Vendor will waive any separation fee provided an employee works for both the vendor and hiring agency, continuously, for a three (3) month period and is provided thirty (30) days written notice of intent to hire from the agency. Notice can be issued at second month if it is the State's intention to hire.

**c. Licenses and Permits**

In performance of the contract, the vendor will be required to comply with all applicable federal, state and local laws, ordinances, codes, and regulations. The cost of permits and other relevant costs required in the performance of the contract shall be borne by the successful vendor. The vendor shall be properly licensed and authorized to transact business in the State of Delaware as provided in 30 *Del. C.* § [2502](#).

Prior to receiving an award, the successful vendor shall either furnish the State of Delaware with proof of State of Delaware Business Licensure or initiate the process of application where required. An application may be requested in writing to: Division of Revenue, Carvel State Building, P.O. Box 8750, 820 N. French Street, Wilmington, DE 19899 or by telephone to one of the following numbers: (302) 577-8200—Public Service, (302) 577-8205—Licensing Department.

Information regarding the award of the contract will be given to the Division of Revenue. Failure to comply with the State of Delaware licensing requirements may subject vendor to applicable fines and/or interest penalties.

- b. Replace the product with a non-infringing equivalent that satisfies all the requirements of the contract; or
- c. Modify the Product(s) to make it or them non-infringing, provided that the modification does not materially alter the functionality or efficacy of the product or cause the Product(s) or any part of the work to fail to conform to the requirements of the Contract, or only alters the Product(s) to a degree that the State of Delaware agrees to and accepts in writing.

**f. Insurance**

1. Vendor recognizes that it is operating as an independent contractor and that it is liable for any and all losses, penalties, damages, expenses, attorney's fees, judgments, and/or settlements incurred by reason of injury to or death of any and all persons, or injury to any and all property, of any nature, arising out of the vendor's negligent performance under this contract, and particularly without limiting the foregoing, caused by, resulting from, or arising out of any act of omission on the part of the vendor in their negligent performance under this contract.

**1. Termination for Cause**

If, for any reasons, or through any cause, the Vendor fails to fulfill in timely and proper manner its obligations under this Contract, or if the Vendor violates any of the covenants, agreements, or stipulations of this Contract, the State shall thereupon have the right to terminate this contract by giving written notice to the Vendor of such termination and specifying the effective date thereof, at least twenty (20) days before the effective date of such termination. In that event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports or other material prepared by the Vendor under this Contract shall, at the option of the State, become its property, and the Vendor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents and other materials which is usable to the State. Upon notice of contract termination, Vendor shall provide to the State, or the State's designee, all documentation collected during the course of the examination. This documentation shall include, but is not limited to, Holder responses to information requests, examination deliverables, and any examination work product created by Vendor for each examination.

On receipt of the contract cancellation notice from the State, the Vendor shall have no less than five (5) days to provide a written response and may identify a method(s) to resolve the violation(s). A vendor response shall not effect or prevent the contract cancellation unless the State provides a written acceptance of the vendor response. If the State does accept the Vendor's method and/or action plan to correct the identified deficiencies, the State will define the time by which the Vendor must fulfill its corrective obligations. Final retraction of the State's termination for cause will only occur after the Vendor successfully rectifies the original violation(s). At its discretion the State may reject in writing the

Vendor's proposed action plan and proceed with the original contract cancellation timeline.

**2. Termination for Convenience**

In that event, all finished or unfinished documents, data, studies, surveys, drawings, models, photographs, reports, supplies, and other materials shall, at the option of the State, become its property and the Vendor shall be entitled to receive compensation for any satisfactory work completed on such documents and other materials, and which is usable to the State. **3. Termination for Non-Appropriations**

In the event the General Assembly fails to appropriate the specific funds necessary to enter into or continue the contractual agreement, in whole or part, the agreement shall be terminated as to any obligation of the State requiring the expenditure of money for which no specific appropriation is available at the end of the last fiscal year for which no appropriation is available or upon the exhaustion of funds. This is not a termination for convenience and will not be converted to such.

**q. Non-discrimination**

In performing the services subject to this RFP the vendor, as set forth in Title 19 Delaware Code Chapter 7 section [711](#), will agree that it will not discriminate against any employee or applicant with respect to compensation, terms, conditions or privileges of employment because of such individual's race, marital status, genetic information, color, age, religion, sex, sexual orientation, gender identity, or national origin. For breach or violation of this warranty the State of Delaware shall have the right to annul the contract without liability or at its discretion to deduct from the contract price or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee.

<https://sexoffender.dsp.delaware.gov/>

Individuals that are listed in the registry shall be prevented from direct contact in the service of an awarded state contract, but may provide support or off-site premises service for contract vendors. Should an individual be identified and the Vendor(s) believes their employee's service does not represent a conflict with this requirement, may apply for a waiver to the primary agency listed in the solicitation.

STATE OF DELAWARE  
Department of Finance Office of Unclaimed Property

The Agency's decision to allow or deny access to any individual identified on a registry database is final and at the Agency's sole discretion.

By Agency request, the Vendor(s) shall provide a list of all employees serving an awarded contract, and certify adherence to the background check requirement. Individual(s) found in the central registry in violation of the terms stated, shall be immediately prevented from a return to state property in service of a contract award. A violation of this condition represents a violation of the contract terms and conditions, and may subject the Vendor to penalty, including contract cancellation for cause.

Individual contracts may require additional background checks and/or security clearance(s), depending on the nature of the services to be provided or locations accessed, but any other requirements shall be stated in the contract scope of work or be a matter of common law. The Vendor(s) shall be responsible for the background check requirements of any authorized Subcontractor providing service to the Agency's contract.

In the event there is any discrepancy between any of these contract documents, the following order of documents governs so that the former prevails over the latter: contract, State of Delaware's RFP, Vendor's response to the RFP and purchase order. No other documents shall be considered. These documents will constitute the entire agreement between the State of Delaware and the vendor.

Such person shall also notify each such officer and employee that any such unauthorized future disclosure of returns or return information may also result in an award of civil damages against the officer or employee in an amount not less than \$1,000 with respect to each instance of unauthorized disclosure. These penalties are prescribed by IRCs 7213 and 7431 and set forth at 26 CFR 301.6103(n)-1.

Each officer or employee of any person to whom returns or return information is or may be disclosed shall be notified in writing by such person that any return or return information made available in any format shall be used only for the purpose of carrying out the provisions of this contract. Such person shall also notify each such officer and employee that any such unauthorized inspection or disclosure of returns or return information may also result in an award of civil damages against the officer or employee [United States for Federal employees] in an amount equal to the sum of the greater of \$1,000.00 for each act of unauthorized inspection or disclosure with respect to which such defendant is found liable or the sum of the actual damages sustained by the plaintiff as a result of such unauthorized inspection or disclosure plus in the case of a willful inspection or disclosure which is the result of gross negligence, punitive damages, plus the costs of the action. The penalties are prescribed by IRCs 7213A and 7431 and set forth at 26 CFR 301.6103(n)-1.

Granting a contractor access to FTI must be preceded by certifying that each individual understands the agency's security policy and procedures for safeguarding IRS information. Contractors must maintain their authorization to access FTI through annual recertification. The initial certification and recertification must be documented and placed in the agency's files for review. As part of the certification and at least annually afterwards, contractors must be advised of the provisions of IRCs 7431, 7213, and 7213A (see Exhibit 4, Sanctions for Unauthorized Disclosure, and Exhibit 5, Civil Damages for Unauthorized Disclosure). The training provided before the initial certification and annually thereafter must also cover the incident response policy and procedure for reporting unauthorized disclosures and data breaches. ## **Appendix B - SCOPE OF WORK AND TECHNICAL REQUIREMENTS**

### **Examination**

The auditor shall conduct the examination remotely. Records shall be provided via electronic means, otherwise the records may be shipped. During the examination, the auditor will review all necessary books and records, interview key personnel and review relevant policies and procedures related to abandoned property. During the examination, the auditor may make subsequent requests to the Holder for additional books and records as required to complete the examination. The auditor will make copies of records deemed necessary to create records suitable for the appeals procedure described in 12 Del. C. §1167.

Records requests include requested completion dates within which the holder should produce the requested records. Holders can request an extension to respond to records requests; however, frequent extension requests only delay the audit and extend the audit completion date beyond the 24 month completion date referenced in 2.15.4 on the Department of Finance Abandoned or Unclaimed Property Reporting and Examination Manual. The auditor will refer frequent and continuous extension requests to the State which may result in the imposition of penalties.

Records available in electronic format should be produced electronically. Actual records are required, not summaries or compilations, unless the auditor agrees in advance that such is an acceptable response to the request. Record requests will be issued to the Holder and responses are expected to be submitted from the Holder.

Any account(s) or transaction(s) identified from the Holder's records that meet the State's criteria for research and remediation will be presented to the Holder. The Holder will be afforded a reasonable amount of time to research and remediate each item in the population to demonstrate the item is not unclaimed property. At the conclusion of the Holder's research and remediation efforts, the Holder is required to perform due diligence mailings (where applicable). The auditor will supervise and verify the format is acceptable and mailed to the owner's last known address. The Holder will provide confirmation of the due diligence mailing date(s), as well as the accounts mailed. The auditor will conduct one or more meetings as required with the Holder to provide guidance regarding the due diligence process and to ensure the property the holder is performing the outreach for is within the timelines established by the State.

The auditor will provide the Holder an audit status report at least once every thirty (30) days. Following the commencement of the remediation period, at the direction of the State, the auditor will issue a preliminary audit findings of all unreported unclaimed property identified to date. At the conclusion of the remediation period, the auditor will provide the Holder with a revised findings to the Holder. These findings are not final. The Holder will be provided with a reasonable amount of time to complete research and remediation to further reduce the liability.

The State expects the Holder's cooperation and anticipates that with Holder cooperation the time to complete a typical audit should not exceed twenty-four months. Interest and penalties may be assessed pursuant to 12 Del. C §1183 - §1185 of the Abandoned Property Law on all abandoned property due for all reporting years under audit where the holder has unreasonably failed to meet deadlines, generally delayed the audit or otherwise failed to diligently work toward completion of the audit. The State Escheator may consider delays, missed deadlines and other Holder failures documented by the auditor in assessing penalties.

## Projection and Estimation

If a Holder fails to retain records for the examination scope as required by 12 Del. C. §1145, for certain periods the amount of reportable property cannot be ascertained from the books and records of the holder, projection and estimation techniques may be used to determine an estimated underreported unknown unclaimed property liability the reportable amounts for such periods where no records or incomplete records exist. The State considers several factors when determining to utilize projection and estimation techniques including, but not limited to, the legal entity's state of incorporation, historical record availability, historical escheatment compliance, etc. If names and addresses exist with respect to the abandoned property used in the projection and estimation, the names and addresses shall not be used to determine which state has the priority claim to the abandoned property estimated to be due over periods where records of owners' addresses do not exist.

All sampling, projection and estimation techniques used by the auditor to determine unclaimed property due to Delaware shall be a method approved by Delaware prior to use. The auditor may suggest or the State may request guidance necessary for the State to make an informed decision as to which estimation technique would be most appropriate for the facts and circumstances at hand. The State will permit the Holder to comment on or suggest an alternative technique. The State's decision to employ a particular technique is final. The Holder may raise this decision at the close of the audit during the appeals process.

Delaware's approved sampling process for estimating a property holder's unclaimed property liability includes the following steps:

- I. Define the population:
  - a. Base period – Period of time where complete records are available
  - b. Sampling unit – Examples include, but not limited to, aged items (E.g., checks, disbursements, customer credits or other items required to be reported)
  - c. Remove potential anomalies – Outliers, duplicate records, and errors
- II. Determine appropriate stratification (if necessary)
  - a. Number of strata
  - b. Stratum boundaries
- III. Calculate Sample size
  - a. Desired confidence
  - b. Desired relative precision
- IV. Perform random computerized sample selection
- V. Verified achieved precision goals
- VI. Evaluate results
  - a. Appropriateness of projecting deviations
  - b. Application of ratio estimator

Notably, the sole purpose of determining an estimated liability in a time period where complete records exist is for calculating an unknown liability in years where adequate records do not exist. The use of statistical sampling for estimation shall be used, therefore, where (a) prior approval is received; and (b) complete records are not available and the names and address of rightful owners cannot be identified.

### **Bankruptcy**

If at any time before or during the course of an examination the Holder files for bankruptcy, the Holder shall give notice of the filing to the auditor. The auditor will, within seven (7) calendar days of the holder's notice or the discovery of the event, notify the State of the bankruptcy filing. The auditor will assist the Escheator to ensure that a proper proof of claim is filed timely in the bankruptcy action.

### **Statement of Findings and Request for Payment**

At the close of the examination, the Holder will receive a statement of findings and request for payment from the Audit Manager if the Audit Manager determines that the Holder has under reported abandoned or unclaimed property under the Delaware Unclaimed Property Act. This letter will outline the findings of the examination and make a formal demand for the under reported property. This letter also allows the Holder certain appeal rights to contest all or part of the audit findings.

### **Holder Communications with the State**

The Holder has the right to contact the State directly to address issues arising from or related to the audit examination.
