I. INTRODUCTION

A. PURPOSE

The purpose of this Request for Proposal is to obtain additional sealed proposals for various outsourced Print Services. Vendors awarded GSS24811-PRINT_SVC do not need to respond to this solicitation.

It is the goal of this Request for Proposal to identify a vendor(s) and execute a contract to provide printing services to the State of Delaware.

1. COMPETITIVE SEALED PROPOSAL

It has been determined by Director, Government Support Services, pursuant to **Delaware Code Title 29, Chapter 6924 (a)** that this solicitation be offered as a request for competitive sealed proposals because the use of competitive sealed bidding is not practical and/or not in the best interest of the State. The use of competitive sealed proposals is necessary to:

- Use a contract other than a fixed-price type; or
- Conduct oral or written discussions with vendors concerning technical and price aspects of their proposals; or
- Afford vendors an opportunity to revise their proposals through best and final offers; or
- Compare the different price, quality and contractual factors of the proposals submitted; or
- Award a contract in which price is not the determining factor.

2. CONTRACT REQUIREMENTS

This contract will be issued to cover the requirements for all State Agencies and shall be accessible to any School District, Political Subdivision, Municipality, Volunteer Fire Company or higher education entity receiving state funds. Furthermore, this contract shall be accessible to all other entities as identified by Del. Code, Chapter 69, Title 29 § 6910.

3. MANDATORY USE CONTRACT

REF: Title 29, Chapter 6911(d) Delaware Code. All Covered Agencies as defined in 29 *Del. C.* § 6902(6) shall procure all material, equipment and nonprofessional services through the statewide contracts administered by Government Support Services, Office of Management and Budget. Delaware State University, Delaware Technical and Community College, school districts, and the Legislative Branch are specifically exempted from the requirements of this subchapter. In addition, the Delaware Transit Corporation is exempt from the entire procurement chapter. Pursuant to 29 *Del. C.* § 6904(l) and (n) respectively, the Department of Elections and the Board of Pension Trustees have certain exemptions from the procurement chapter which may or may not apply to this Request for Proposals.

4. COOPERATIVE USE OF AWARD

As a publicly competed contract awarded in compliance with 29 DE Code Chapter 69, this contract is available for use by other states and/or governmental entities through a participating addendum. Interested parties should contact the State Contract Procurement Officer identified in the contract for instruction. Final approval for permitting participation in this contract resides with the Director of Government Support Services and in no way places any obligation upon the awarded vendor(s).

Government Support Services reserves the right to reject any or all bids in whole or in part, to make multiple awards, partial awards, award by types, item by item, or lump sum total, whichever may be most advantageous to the State of Delaware.

6. POTENTIAL CONTRACT OVERLAP

Vendors shall be advised that the State, at its sole discretion, shall retain the right to solicit for goods and/or services as required by its agencies and as it serves the best interest of the State. As needs are identified, there may exist instances where contract deliverables, and/or goods or services to be solicited and subsequently awarded, overlap previous awards. The State reserves the right to reject any or all bids in whole or in part, to make partial awards, to award to multiple vendors during the same period, to award by types, on a zone-by-zone basis or on an item-by-item or lump sum basis item by item, or lump sum total, whichever may be most advantageous to the State of Delaware.

7. SUPPLEMENTAL SOLICITATION

The State reserves the right to advertise a supplemental solicitation during the term of the Agreement if deemed in the best interest of the State.

The State of Delaware requires a new vendor to complete the registration process through the Delaware Supplier Portal at <http://esupplier.erp.delaware.gov>. Successful completion of this registration enables the creation of a State of Delaware supplier record. The Taxpayer ID (SSN or EIN) and Applicant (supplier) name are submitted to the Internal Revenue Service for "matching". If the Taxpayer ID and name do not match, the vendor record cannot be approved.

It is the applicant's responsibility to select the appropriate 1099 Withholding Type and Class. If incorporated, a business is not subject to 1099 reporting unless the business is providing legal or medical services.

Any questions about completing this registration or specific comments about the registration, please contact supplier maintenance by phone at 302-734-6827.

Y. SUBCONTRACTS

FOIA requires that the State of Delaware's records are public records (unless otherwise declared by FOIA or other law to be exempt from disclosure) and are subject to inspection and copying by any person upon a written request. Once fully executed contracts are received, the contents of all vendor responses are subject to FOIA's public disclosure obligations and exemptions.

The State of Delaware wishes to create a business-friendly environment and procurement process. As such, the State respects the vendor community's desire to protect its intellectual property, trade secrets, and confidential business information (collectively referred to herein as "confidential business information"). Responses must contain sufficient information to be evaluated. Through the [online bid submission portal](#), vendors will submit two copies of their solicitation response. One shall be marked original containing the full solicitation response. The second shall be marked redacted copy, redacting those items the vendor is looking to mark confidential.

The redacted copy must include the completed confidentiality form describing the items redacted, representing in good faith that the information is not "public record" as defined by 29 Del. C. § 10002, and briefly stating the reasons that each redaction meets the said definitions.

A vendor's allegation as to its confidential business information shall not be binding on the State. Such taxes shall not be included in prices quoted.

21. TEMPORARY PERSONNEL ARE NOT STATE EMPLOYEES UNLESS AND UNTIL THEY ARE DIRECTLY HIRED

STATE OF DELAWARE
Office of Management and Budget
Government Support Services

Vendor agrees that any individual or group of temporary staff person(s) provided to the State of Delaware pursuant to this Solicitation shall remain the employee(s) of Vendor for all purposes including any required compliance with the Affordable Care Act by the Vendor. Vendor agrees that it shall not allege, argue, or take any position that individual temporary staff person(s) provided to the State pursuant to this Solicitation must be provided any benefits, including any healthcare benefits by the State of Delaware and Vendor agrees to assume the total and complete responsibility for the provision of any healthcare benefits required by the Affordable Care Act to aforesaid individual temporary staff person(s). In the event that the Internal Revenue Service, or any other third-party governmental entity determines that the State of Delaware is a dual employer or the sole employer of any individual temporary staff person(s) provided to the State of Delaware pursuant to this Solicitation, Vendor agrees to hold harmless, indemnify, and defend the State to the maximum extent of any liability to the State arising out of such determinations.

Notwithstanding the content of the preceding paragraph, should the State of Delaware subsequently directly hire any individual temporary staff employee(s) provided pursuant to this Solicitation, the aforementioned obligations to hold harmless, indemnify, and defend the State of Delaware shall cease and terminate for the period following the date of hire. Nothing herein shall be deemed to terminate the Vendor's obligation to hold harmless, indemnify, and defend the State of Delaware for any liability that arises out of compliance with the ACA prior to the date of hire by the State of Delaware. Vendor will waive any separation fee provided an employee works for both the vendor and hiring agency, continuously, for a three (3) month period and is provided thirty (30) days written notice of intent to hire from the agency. 23. ACA SAFE HARBOR

The State and its utilizing agencies are not the employer of temporary or contracted staff. However, the State is concerned that it could be determined to be a Common-law Employer as defined by the Affordable Care Act ("ACA"). Therefore, the State seeks to utilize the "Common-law Employer Safe Harbor Exception" under the ACA to transfer health benefit insurance requirements to the staffing company. The Common-law Employer Safe Harbor Exception can be attained when the State and/or its agencies are charged and pay for an "Additional Fee" with respect to the employees electing to obtain health coverage from the Vendor.

The Common-law Employer Safe Harbor Exception under the ACA requires that an Additional Fee must be charged to those employees who obtain health coverage from the Vendor but does not state the required amount of the fee. The State requires that all Vendors shall identify the Additional Fee to obtain health coverage from the Vendor and delineate the Additional Fee from all other charges and fees. The Vendor shall identify both the Additional Fee to be charged and the basis of how the fee is applied (i.e. per employee, per invoice, etc.). The State will consider the Additional Fee and prior to award reserves the right to negotiate any fees offered by the Vendor. Further, the Additional Fee shall be separately scored in the proposal to ensure that neither prices charged, nor the Additional Fee charged will have a detrimental effect when selecting vendor(s) for award.

background checks on employees serving the State's on premises contracts. Unless otherwise directed, at a minimum, this shall include a check of the following registry:

- Delaware Sex Offender Central Registry at: <https://sexoffender.dsp.delaware.gov/>

The Agency's decision to allow or deny access to any individual identified on a registry database is final and at the Agency's sole discretion.

By Agency request, the Vendor(s) shall provide a list of all employees serving an awarded contract and certify adherence to the background check requirement. Individual(s) found in the central registry in violation of the terms stated, shall be immediately prevented from a return to state property in service of a contract award. On receipt of the contract cancellation notice from the State, the Vendor shall have not less than five (5) days to provide a written response and may identify a method(s) to resolve the violation(s). A vendor response shall not effect or prevent the contract cancellation unless the State provides a written acceptance of the vendor response. If the State does accept the Vendor's method and/or action plan to correct the identified deficiencies, the State will define the time by which the Vendor must fulfill its corrective obligations. Final retraction of the State's termination for cause will only occur after the Vendor successfully rectifies the original violation(s). Termination for Non-Appropriations:** In the event the General Assembly fails to appropriate the specific funds necessary to enter into or continue the contractual agreement, in whole or part, the agreement shall be terminated as to any obligation of the State requiring the expenditure of money for which no specific appropriation is available at the end of the last fiscal year for which no appropriation is available or upon the exhaustion of funds. This is not a termination for convenience and will not be converted to such.

53. CHANGES

Both parties may, from time to time, require changes in the services to be provided by the Vendor under the Scope of Work. Such changes, including any increase or decrease in the amount of the Vendor's compensation, which are mutually agreed upon by and between the Agency and the Vendor shall be incorporated in written amendments to the Purchase Order or contract.

54. INTEREST OF VENDOR

The Vendor further covenants, that in the performance of this contract, no person having any such interest shall be employed.

Ordering agencies should stress to vendors that they should expedite correction of the differences because failure to reply may result in an unfavorable rating in the execution of the awarded contract.
- d. The state has several remedies available to resolve non-performance issues with the contractor. The Agency should refer to the Contract Terms and Conditions to view these remedies. When a default occurs, the Agency should first review the contract to confirm that the issue is a part of the contract. If the issue is not covered by the contract, the state cannot expect the contractor to perform outside the agreement. 6. All printing work will be done with consideration to minimizing costs of both design and printing, ensuring the ability to reprint on current standard industry equipment.
7. All productivity and quality standards as well as turnaround timeframes established by the State must be met or exceeded during the execution of this contract. The State expects tight turnarounds on all its jobs, where turnaround is measured from delivery of specifications to delivery of a finalized product. **The State expects its vendors to deliver both simple and complex products. The State shall not be charged supplemental or contingency fees for these products. Failure on the vendor's part to meet production or deliver timelines "busted timelines" must be communicated to the Printing and Publishing office and the ordering agency immediately.**
8. Any vendor selected will be expected to adhere to the States stringent quality requirements. Failure to comply with quality requirements may result in non-payment and/or termination of the relationship with the vendor. Specific criteria will be discussed in detail with finalists during the negotiation process, but the following dimensions of quality are of particular importance:
 - a. *Content Integrity.* Proper content integrity must be maintained at all times. It is unacceptable for any job to contain any content integrity errors, which include, but are not limited to, missing text or graphics, mis pagination, or incorrect information (e.g., material from another job or the wrong version). Such errors would, at a minimum, require critical rush job replacement, and may lead to termination of the relationship with the vendor.
 - b. *Production Quality.* All print material must meet the States quality standards, which include, but are not limited to color and font matching, clear and legible proofs and print ready copy. Proofs should be of similar specifications as the final product (e.g., colors, paper weight, finish and binding). Final print ready copies are expected to match "signed" proofs, including all changes made at final approval.
 - c. *Equipment and Software.* Different types of print methods are required depending on customer request. Please list available print methods (Offset, Digital, Web, Sheet Fed) and list equipment and software vendor has for each service category. (See Evaluation Criteria, A-4, Equipment List and Software) .
 - d. Subcontracting is permitted under this contract. However, each subcontractor must have been identified using Appendix C – ONLINE BID SUBMISSION PORTAL INSTRUCTIONS. Appendix C is a separate file found on mymarketplace.delaware.gov and <https://gss.bonfirehub.com/>. This appendix contains instructions on how to structure your solicitation response. If subcontracting is required to complete specific print jobs, subcontracting must be agreed to in writing by the State or specifically authorized in writing by the Agency. Additionally, if subcontractor is an awarded vendor for service category, the State may consider the vendor utilizing the subcontractor as no-bid and work directly with the subcontractor.
 - e. It is a requirement pursuant to Executive Order 39, that State Agencies use the Printing and Publishing Office for all printing needs. Contract vendors are not permitted to solicit printing projects directly from State Agencies. In the event that a contracted vendor receives a request for printing directly from a State Agency without the express approval of the Printing and Publishing Office or

STATE OF DELAWARE
Office of Management and Budget
Government Support Services

without a work order number, the vendor must request approval from the Printing and Publishing Office prior to accepting work from the agency.

- f. Bidders selected for further discussions as a result of their proposal may be required to provide documentation of internal quality programs as well as other detailed information.
 - g. Estimates must be provided to the Printing and Publishing office within 48 hours, unless a specific timeframe was requested. Estimates not received within 48 hours or the specific timeframe will be considered as "no bid."
 - h. Awarded vendor will provide up to (2) proofs for each print job as requested without additional fees billed to the State. Each proof version should be marked clearly indicating proof number to avoid printing discrepancies. Proofs will be provided to the state in the timeframe specified by the Agency after request/file transfer. If there is no specific request from the agency, 48 hours should be considered standard.
 - i. Awarded vendor will provide one (1) round of author's alterations for each print job as requested without additional fees billed to the State.
 - j. For each print job, vendor will deliver final printed product to five (5) locations or less without additional fees billed to the State. Finished products must be delivered to the Ordering Agency, unless otherwise specified, within 7 business days after final proof approval.
9. The Vendor will send the Printing and Publishing Office final file versions (pdf. and native files) via electronic file transfer or email within five (5) days of work order completion.
10. The Vendor will send the Printing and Publishing Office two (2) samples of the finished work order within 30 days of completion at the vendor's expense.
11. In addition to normal invoicing received by Vendor, Vendor invoicing to the State must include the PPO Work Order number/PO Number and the total number of impressions processed for the job.
12. Please annotate if your company is FSC (Forrest Stewardship Council) qualified.
13. Vendor must provide methodology of work processes, flow chart/workflow and applicable FAQ's with their bid submission.
14. Vendor must have FTP upload available for file transfers, driver transportation to pick-up files from state agencies or overnight mail/shipping account service (paid for by the vendor) for files to be mailed to the vendor (ex. FedEx or UPS).
15. Vendor must use recycled paper when requested by the agency.

J. RETURNS

Any materials delivered in poor condition, in excess of the amount authorized by the purchase order, or not included on the purchase order may, at the discretion of the ordering agency/entity, be returned to the vendor at the vendor's expense within 30 days. Return authorizations must be credited immediately once the vendor has received the returned goods.

DAMAGED PRODUCT SHIPPED

The acceptance of delivery with or without objection shall not waive the right to claim damage for breach nor constitute a waiver of requirements for timely delivery or performance of any actions that shall remain the obligation of the contracted vendor.

- b. The contracted vendor is responsible for pick-up and replacement of all damaged goods within a reasonable time frame acceptable to the ordering agency.
