I. **INTRODUCTION**

A. **PURPOSE**

The purpose of this Request for Proposal is to obtain sealed proposals for Lawn Care Services.

It is the goal of this Request for Proposal to identify a vendor(s) and execute a contract to Lawn Care Services.

1. **COMPETITIVE SEALED PROPOSAL**

   It has been determined by Director, Government Support Services, pursuant to Delaware Code Title 29, Chapter 6924 (a) that this solicitation be offered as a request for competitive sealed proposals because the use of competitive sealed bidding is not practical and/or not in the best interest of the State. The use of competitive sealed proposals is necessary to:

   - Use a contract other than a fixed-price type; or
   - Conduct oral or written discussions with offerors concerning technical and price aspects of their proposals; or
   - Afford offerors an opportunity to revise their proposals through best and final offers; or
   - Compare the different price, quality and contractual factors of the proposals submitted; or
   - Award a contract in which price is not the determining factor.

2. **CONTRACT REQUIREMENTS**

   This contract will be issued to cover the Lawn Care Services requirements for all State Agencies and shall be accessible to any School District, Political Subdivision, or Volunteer Fire Department.

3. **MANDATORY USE CONTRACT**

   REF: Title 29, Chapter 6911(d) Delaware Code. All Covered Agencies as defined in 29 Del. C. §6902(6) shall procure all material, equipment and nonprofessional services through the statewide contracts administered by Government Support Services, Office of Management and Budget. Delaware State University, Delaware Technical and Community College, School Districts, and the Legislative Branch are specifically exempted from the requirements of this subchapter. In addition, the Delaware Transit Corporation is exempt from the entire procurement chapter. Pursuant to 29 Del. C. §6904(l) and (n) respectively, the Department of Elections and the Board of Pension Trustees have certain exemptions from the procurement chapter which may or may not apply to this Request for Proposals.

4. **MULTIPLE SOURCE AWARD**

   The Agency reserves the right to award this contract to more than one vendor pursuant to 29 Del.C. §6926. The basis for such selection shall be:

   - Ability to select an alternative supplier based on agency budget constraints.
   - Vendor ability to meet all contract requirements
5. **CONTRACT PERIOD**

Each Vendor’s contract shall be valid for a one (1) year period from March 1, 2013 through February 28, 2014. Each contract may be renewed for four (4) one (1) year periods through negotiation between the Vendor and Office of Management and Budget, Government Support Services. Negotiation may be initiated no later than ninety (90) days prior to the termination of the current agreement.

The State reserves the right to extend this contract on a month-to-month basis for a period of up to three months after the term of the full contract has been completed.

Should vendor find discrepancies, omissions, unclear or ambiguous intent or meaning, or should any questions arise concerning this RFP, vendor shall notify the State of Delaware’s Designated Contact, in writing, of such findings at least ten (10) days before the proposal opening. This will allow issuance of any necessary addenda. It will also help prevent the opening of a defective proposal and exposure of vendor’s proposal upon which award could not be made. All unresolved issues should be addressed in the proposal.

There shall be no disclosure of any vendor’s information to a competing vendor prior to award of the contract.

The State of Delaware is a public agency as defined by state law, and as such, it is subject to the Delaware Freedom of Information Act, 29 Del. C. Ch. 100. Under the law, all the State of Delaware’s records are public records (unless otherwise declared by law to be confidential) and are subject to inspection and copying by any person. Vendor(s) shall not include any information in their proposal that is proprietary in nature or that they would not want to be released to the public. Proposals must contain sufficient information to be evaluated and a contract written without reference to any proprietary information. Upon receipt of a proposal accompanied by such a separate, sealed envelope, the State of Delaware will open the envelope to determine whether the procedure described above has been followed.

**VENDOR’S DEPOSIT**: The security designated in the proposal to be furnished by the Vendor as a guaranty of good faith to enter into a contract with the Agency if the work to be performed or the material or equipment to be furnished is awarded to it.

**B. GENERAL PROVISIONS**

1. **INTERPRETATION OF ESTIMATES/QUANTITIES**
   
a. Unless stated otherwise, the quantities given in the RFP are to be considered to be approximate only and are given as a basis for the comparison of bids. The Agency may increase or decrease the amount of any item as may be deemed necessary or expedient, during the period of the contract.

   b. An increase or decrease in the quantity for any item is not sufficient ground for an increase or decrease in the unit price.
c. Vendor usage reports for previous awards may be found at http://gss.omb.delaware.gov/contracting/calpha.shtml. Past usage shall not be considered a guaranteed future volume.

2. **SILENCE OF SPECIFICATIONS**

   The apparent silence of the specifications as to any detail, or the apparent omission from it of detailed description concerning any point, shall be regarded as meaning that only the best commercial practice is to prevail and only material and workmanship of the first quality are to be used. Proof of specifications compliance will be the responsibility of the vendor.

3. **EXAMINATION OF SPECIFICATIONS AND PROVISIONS**

   The Vendor shall examine carefully the proposal and the contract forms for the material contemplated. The Vendor shall investigate and satisfy itself as to the conditions to be encountered, quality and quantities of the material to be furnished, and the requirements of any Special Provisions in the RFP and the contract. The submission of a proposal shall be conclusive evidence that the Vendor has made examination of the aforementioned conditions.

4. **PRICES QUOTED**

   The prices quoted are those for which the material will be furnished F.O.B. Ordering Agency and include all charges that may be imposed during the period of the contract. All prices quoted must be in U.S. Dollars.

   All vendors that maintain a core list of products under this contract shall maintain the appropriate negotiated prices on their core list. Vendors shall routinely offer to add to the core list materiel that has been identified as necessary. The Vendors are expected to routinely update any changes to the core list with the appropriate discounts listed.

   Any adjustments to a core list must receive prior written approval from the State before a core list can be changed by the Vendor. Changes include but are not limited to the migration of items on and off the core list as well as any price adjustments from the original agreed upon pricing.

5. **PUBLIC INSPECTION OF PROPOSALS**

   All documents submitted as part of the vendor’s proposal will be deemed confidential during the evaluation process. Vendor proposals will not be available for review by anyone other than the State of Delaware/Proposal Evaluation Committee or its designated agents. There shall be no disclosure of any vendor’s information to a competing vendor prior to award of the contract.

   The State of Delaware is a public agency as defined by state law, and as such, it is subject to the Delaware Freedom of Information Act, 29 Del. C. Ch. 100. Under the law, all the State of Delaware’s records are public records (unless otherwise declared by law to be confidential) and are subject to inspection and copying by any person. Vendor(s) are advised that once a proposal is received by the State of Delaware and a decision on contract award is made, its contents will become public record and nothing contained in the proposal will be deemed to be confidential except proprietary information.
Vendor(s) shall not include any information in their proposal that is proprietary in nature or that they
would not want to be released to the public. Proposals must contain sufficient information to be
evaluated and a contract written without reference to any proprietary information. If a vendor feels that
they cannot submit their proposal without including proprietary information, they must adhere to the
following procedure or their proposal may be deemed unresponsive and will not be recommended for
selection. Vendor(s) must submit such information in a separate, sealed envelope labeled “Proprietary
Information” with the RFP number. The envelope must contain a letter from the Vendor’s legal
counsel describing the documents in the envelope, representing in good faith that the information in
each document is not “public record” as defined by 29 Del. C. § 10002(d), and briefly stating the
reasons that each document meets the said definitions.

Upon receipt of a proposal accompanied by such a separate, sealed envelope, the State of Delaware
will open the envelope to determine whether the procedure described above has been followed.

6. LAWS TO BE OBSERVED

The Vendor is presumed to know and shall strictly comply with all Federal, State, or County laws, and
City or Town ordinances and regulations in any manner affecting the conduct of the work. The Vendor
shall indemnify and save harmless the State of Delaware, the Agency, and all Officers, Agency and
Servants thereof against any claim or liability arising from or based upon the violation of any such
laws, ordinances, regulations, orders, or decrees whether by itself, by its employees, or by its
subcontractor (s).

All necessary permits, licenses, insurance policies, etc. required by local, State or Federal laws, shall
be provided by the Vendor at its own expense.

8. PATENTED DEVICES, MATERIAL AND PROCESSES

Director, their Officers or Agents from any and all claims because of the use of such patented
design, device, material, or process in connection with the work agreed to be performed under this
contract.

9. EMERGENCY TERMINATION OF CONTRACT

a. Due to restrictions which may be established by the United States Government on material, or
work, a contract may be terminated by the cancellation of all or portions of the contract.

b. In the event the Vendor is unable to obtain the material required to complete the items of work
included in the contract because of restrictions established by the United States Government and

Residents and businesses are asked to voluntarily reduce emissions, which cause ozone. Ground-level Ozone is forecast to be unhealthy. Everyone should limit prolonged exertion outdoors.

"HELP CLEAN THE AIR" TIPS NOS. 5 & 6

#5 - Ride public transportation or carpool to work

#6 - Maintain your vehicle’s emission control equipment

Ground-level ozone is a real threat to our health because it reacts with sensitive lung tissue, causing harmful changes in breathing passages. Children, the elderly and individuals with respiratory diseases are especially harmed by ozone. Even healthy individuals can be harmed if they attempt strenuous activity on days with high ozone...those days should be used for inside low physical stress activities.

REMEMBER, this may seem like a small contribution by you as an individual, but if we can get solid public involvement, working together we CAN make a real difference!

Any health related questions should be directed to the Division of Public Health at 302-744-4540. All other questions should be directed to the Air Quality Management at 302-739-9402. Also, if you are interested in seeing hourly monitoring data of ozone and other air pollutants visit our website at:

Don't forget clean air depends on you, and you depend on clean air!

Thanks...from the Air Quality Management Section and the Division of Public Health.
