Notes

1. After hours service will be accomodated at an additional fee
2. Energy and Insurance Surcharge - Subject to market costs to MEG for Insurance and Energy a surcharge may be applied in addition to the disposal charges outlined above. Any additional insurance and energy charges will be noted on our proposal or by separate notification
3. Pricing is for disposal only, transportation will be billed at T&M pricing

TERMS AND CONDITIONS

1. Mobilization/Demobilization: All charges for labor and equipment will be billed on a portal to portal basis and subject to a four hour minimum charge per project for projects lasting less than one day. Scheduled projects that are not canceled 4 hours prior to the scheduled start time will be billed at a 4 hour minimum.
2. Time and one-half charges apply before 0800 hrs. and after 1600 hrs. weekdays and all day Saturday. Double time charges will apply to all hours worked on Sundays and Holidays (New Years Day, President's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving and Friday following, and Christmas).
3. Once mobilized, personnel charges for Offshore work will be a 12 hour minimum; personnel charges for Nearshore and Onshore work will be an 8 hour minimum. If Offshore work requires our personnel to be held "captive" where they remain onboard a vessel when not working a 16 hour minimum labor charge will apply per calendar day. In the event that MEG personnel are required to "Standby" these minimum hours would apply.
4. Per Diem charges equal to the local GSA Rate (www.gsa.gov) will be assessed to cover lodging and meals when MEG is operating over 50 miles from our nearest office or additional personnel are required from another MEG office to support the project.
5. Daily/Shift Rates are based on a (12) hour day. Vehicles & Equipment are charged at straight time hourly rates for a 12 hour minimum each day and all equipment charges are portal to portal.
6. MEG will invoice charges for all itemized equipment utilized or available for use on the project per the Time and Materials Rate Schedule, regardless of whether the equipment is owned by MEG or is rented equipment.
7. At its sole discretion, MEG will determine the level of protection required for each project. Level A, B, C or D personal protection and safety packages will be invoiced at the rates shown.
8. The Schedule of Rates includes the cost of MEG's basic medical monitoring program. Any special medical monitoring required by the client or the nature of the work will be added to the project scope and the client will be invoiced at cost plus a markup.
9. When the flow of a project necessitates crews eating or hydrating in the field, there will be a charge of:

\$10.00- Breakfast; \$15.00- Lunch; \$20.00- Dinner; \$5.00/man/day - Site Fluids
10. Hazardous Material Work is defined as any work which is regulated by OSHA 1910.120.
11. Fuel Surcharges follow the DOE On Highway Diesel Fuel Index and apply to Equipment and Materials only. See Fuel Surcharge schedule prior to the table of contents.
12. In the event that Prevailing Wage applies to a specific project a multiplier of 1.65 will apply to the corresponding MEG Labor category.
13. In the event that any personnel are required to provide testimony in any court or administrative proceeding the rate charged will be that of Legal Support/Expert Witness from the Labor Section on page 1. The company will be responsible for charges related to any testimony including but not limited to travel and expenses whether requested directly by the company or a third party.
14. This price schedule is considered confidential information and is not to be distributed without written approval from MEG.
15. Please be advised that due to Federal hours of service rules and driving restrictions on commercial drivers, additional expenses may be incurred on a project or emergency response outside of normal business hours. These expenses may include but not be limited to, hotel and per diem expenses, additional drivers to relieve drivers out of hours, additional transport vehicles, third party transportation (car service), parking fees, etc.
