APPENDIX D - Readiness Self-Assessment

**Governor's Commission on Community and Volunteer Service
AMERICORPS COMPETITIVE GRANT APPLICATIONS 2026-2027**

Is My Organization Ready to Apply for an AmeriCorps Grant?

This Readiness Assessment asks simple questions to help you determine whether your organization is poised to successfully apply for and implement an AmeriCorps grant. Read each question carefully and answer honestly. This assessment is a tool to help you plan for the implementation and administration of an AmeriCorps grant-funded program.

Completion of the assessment does not guarantee AmeriCorps funding through the Governor's Commission on Community and Volunteer Service (GCCVS) or the Corporation for National and Community Service. The Readiness Self-Assessment will be used by the GCCVS to determine if the organization is financially ready for an AmeriCorps Grant.

Fundamental Questions:

Is your organization a public or private nonprofit organization - including labor organizations, faith-based and other community organizations; an institution of higher education; a government entity within the State of Delaware; an Indian Tribe; or a partnership or consortia?

Yes, No Unsure

Does your organization's plan for utilizing AmeriCorps members address specific unmet community needs in the areas of education, healthy futures, environmental stewardship, veterans and military families, economic opportunity, and/or disaster services?

Yes No Unsure

If the answer to either of the above questions is "No" then your organization would not be eligible to receive an AmeriCorps operating grant or serve as a Host Site for AmeriCorps members.

Additionally, you are ineligible if your organization is a 501 (c) (3) non-profit entity [under the Internal Revenue Code of 1986, 26 U.S.C. 501 (c) (3)] that engages in lobbying.

**STATE OF DELAWARE
DEPARTMENT OF HEALTH AND SOCIAL SERVICES
DIVISION OF STATE SERVICE CENTERS**

Do your plans for utilizing AmeriCorps members call for members to provide service exclusively within the state of Delaware?

Yes No Unsure

If the answer to the above question is "No" then your program would not be eligible to receive funding through the GCCVS. If the rest of the self-assessment is favorable, then your organization may be interested in applying directly to the Corporation for National and Community Service for an AmeriCorps National Direct grant. If your organization does apply directly to the Corporation for National and Community Service, please contact the GCCVS for more information on submitting a multi-state/national consultation form.

Administrative Competencies:

Does your organization have a proven track record of establishing measurable outcomes for its programs?

Yes No Unsure

Does your organization have the infrastructure to recruit, train, and support the efforts of AmeriCorps members? Variables include office space, technology, supervisory time & skill, financial expertise, and the ability to manage volunteers.

Yes No Unsure

Has your organization previously managed a major federal, state, or foundation grant?

Yes No If yes, attach grant numbers for the past two years.

Does your organization have formal internal controls governing all financial operations?

Yes No Unsure

Does your organization have enough cash on hand or credit to operate a major grant on a reimbursement basis? Neither the Federal nor State governments rarely, if ever, pay grant funds in advance.

Yes No Unsure

Has your organization been audited by a Certified Public Accounting firm within the past two years?

Yes No If yes, attach a copy of your most recent audit report.

If you answered "No" to any of the above questions, it is likely your organization would struggle to successfully administer an AmeriCorps grant. Consideration should be given to seeking a partnership with an existing AmeriCorps program. Serving as an AmeriCorps host site rather than as a primary grant applicant is often a better option for smaller organizations. Pursuing a Planning Grant may be a
