SOV provides statewide leadership for the promotion and encouragement of volunteerism to persons of all ages, and coordinates a variety of volunteer events, including: The Governor's Outstanding Volunteer Awards, and the Governor's Youth Volunteer Service Awards. The State Office of Volunteerism provides coordination and linkages with volunteer programs throughout the state, hosts a Volunteer Service Conference, and manages four direct volunteer service programs.

State Office of Volunteerism programs include:

- AmeriCorps
- Foster Grandparent Program
- Volunteer Delaware 50+
- Volunteer Delaware

Governor's Commission on Community and Volunteer Service (GCCVS)

Established in 2004, by a Governor's Executive Order, The Governor's Commission on Community and Volunteer Service was established to facilitate volunteerism and service initiatives throughout the State of Delaware.

This Act consolidates the Delaware Community Service Commission (federally mandated through the Code of Federal Regulations 45 CFR 2550) with the Council of Volunteer Services.

GCCVS Grant Process

GCCVS is charged with administering the state's process. The process begins with a Request for Proposals (RFP) to solicit proposals that will be considered for submission to either the National Competition or Formula funding

“**Competitive funds**” compete with others nationally and are decided upon by the Corporation for National and Community Service. A minimum of 20 members is required.

- Applicants that are submitted for competitive funds and are not successful could also be considered for formula funds.

“**Formula funds**” compete at the state level with others for federal formula funding allotment (based on population) with decisions made by GCCVS in mid to late May. Planning grants are an option.

SCOPE OF SERVICES

AmeriCorps State grants support a broad range of local service programs that engage thousands of Americans in intensive service to meet critical community needs. Applicants should respond to at least one of the Focus Areas (as outlined in the 2025 AmeriCorps Notice of Funding Opportunity), which are:
