Learning for Careers
Workforce Development
Summer Youth Employment Program

Important Dates to Remember

- ❖ February 24th - Deadline for Questions
- ❖ March 2nd - Response to Questions Posted
- ❖ March 12th - Proposals Due no later than 1pm
- ❖ April 2nd - Oral Clarification
- ❖ April - Estimated Notification of Award
- ❖ July 1st - Program Start Date

What is the Workforce Innovation Opportunity Act of 2014?

Requires states to strategically align their core workforce development programs

Coordinate the needs of both job seekers and employers

Promotes accountability and transparency through negotiated performance goals

Improves the American Job Center system

DWDB Priorities

Prioritize Sectors

The DWDB is looking to invest in sectors that will enable Delawareans to get back to work and increase growth in high-skill, high-wage jobs. The DWDB has addressed the immediate needs in the DWDB Strategic Plan as the enabling sector.

Raise the Bar

The DWDB is looking to raise the bar on educational attainment to reflect the needs of our future economy. Our goal is to increase credential and degree attainment to 60% by 2030

Increase Alignment

Increase alignment between learning and work and improve how we build talent pipelines.

Expand Opportunity

Expand opportunities to increase economic prosperity for all Delawareans and reduce gaps that exist today based on race, ethnicity, disability, and income

Learning for Careers

LAB-LFC-26R-001

Learning for Careers

The purpose of LFC investments is to expand employer participation in student education, training, and employment programs that lead to an increase in the number of:

- ❖ Youth served through summer youth employment or other DOL funded programs; or
- ❖ Secondary students participating in experiential work-based learning awareness, exploration, and immersion (e.g., internship, clinical, school-based enterprise, registered youth apprenticeship) activities; or
- ❖ Post-secondary students participating in work-based learning and/or clinical/experiential learning programs
- ❖ Strengthen employer-led efforts to recruit youth (ages 14 to 24) into the workforce and/or to expand the capacity of employers to offer clinical, internship, apprenticeship, work-based learning immersion, or other types of cooperative education programs

Learning For Careers 14-24

Approximately \$500,000 available for this solicitation.
Funding for this program comes from State General Funds

Learning For Careers

Scope of Work

- ❖ State of Delaware license (non-profit or public entity with certifications for scope)
- ❖ State of Delaware public institution or training center
- ❖ Institution of higher education, qualified to participate in student financial assistance programs
- ❖ A private business or trade school approved Department of Education
- ❖ Must be an approved provider prior to contract execution

Learning For Careers

Lead Providers

The lead Provider is the entity designated by the Applicant Group to serve as the Fiscal Agent for the Partnership

Enabling Sectors

The Lead Provider is the responsible entity for meeting all requirements. A Lead Provider can be any one of the following:

- ❖ Employer/Industry Association
- ❖ Employer Chamber
- ❖ Employer Group
- ❖ State Agency acting on behalf of a group of employers
- ❖ Labor Union
- ❖ Employer Intermediary/Agent working on behalf of a group of employers

Learning For Careers

Program Design

- ❖ Address business' pipeline/workforce needs by creating and/or expand their use of paid work experiences for students participating in summer youth employment programs or
- ❖ Other DOL funded programs included in the definition of Employment and Training Providers, secondary school work-based learning, and postsecondary work-based learning and clinical/experiential learning programs;
- ❖ Address the needs of students to explore career interests, contextualize learning/education, and/or gain professional and occupational skills.
- ❖ Secondary school work-based learning activities, and postsecondary work-based learning and clinical/experiential learning programs. Proposals must include the use of paid work experiences, job shadowing, or other work-based learning models to engage participants with local employers.
- ❖ Services proposed in their LFCP with any modifications that are mutually agreed upon and specified in a resulting agreement.
