

Buy America (BABA) Bidding Alternative for NAT26001-THWILDVIEW

Under 23 CFR 635.410 (b)(3), a waiver of Buy America requirements may be granted if alternate bidding procedures are used, and lowest overall total bid based on using domestic construction materials is 25% more than the lowest overall total bid based on using foreign construction materials.

The bidder should provide both a base bid and alternate bid based on the Alternate 1 construction sequence but reflecting the use of foreign iron and steel, foreign manufactured products, and foreign construction materials.
