BIDDERS QUESTIONS AND ANSWERS

Clarifications/Questions	Response
Q1. Will we have access to a dumpster?	A1. No.
Q2. Will we have access to a forklift?	A2. No.
Q3. Does the school have a truck height loading dock?	A3. No
Q4. Please clarify your definition of “installation”? Our installation does not include electrical connections.	A4. Awarded bidders are to unbox and place equipment per the equipment plans. Any connections to the building infrastructure will be by others.
Q5. Special Provisions #30, Payment - What is the possibility of school system paying by credit card?	A5. If preferred by the vendor, payment can be made by credit card. Otherwise, it will be paid via ACH.
Q6. Special Provisions #36c & Special Provisions #55, Subcontracts: States: For subcontracting - you have to complete attachment D for an approved subcontractor, but attachment D is Business References.	A6. Delete the following from Section III Special Provisions: 36c: None of the equipment and/or services covered by this contract shall be subcontracted without the prior written approval of the State. Only those subcontractors identified in Attachment D are considered approved upon award. Changes to those subcontractor(s) listed in Attachment D must be approved in writing by the State. 55. SUBCONTRACTS Subcontracting is permitted under this ITB and contract. However, every subcontractor shall be identified in the Bid (Attachment D) and agreed to in writing by the State or as are specifically authorized in writing by the Agency during the performance of the contract. Any substitutions in or additions to such subcontractors, associates, or consultants will be subject to the prior

	written approval of the State. The Vendor(s) shall be responsible for compliance by the subcontractor with all terms, conditions and requirements of the ITB and with all local, State and Federal Laws. The Vendor shall be liable for any noncompliance by any subcontractor. Further, nothing contained herein or in any subcontractor agreement shall be construed as creating any contractual relationship between the subcontractor and the State. If a company elects to be a subcontractor for another vendor, the subcontractor may not independently bid on this solicitation.
Q7. How do we get an alternate item approved in advance?	A7. Provide product data for the proposed alternate prior to the last date for bidder questions, January 20, 2026.
Q8. Special Provisions #5 - Can we submit the electronic copy VIA thumb drive?	A8. Yes, the bid may be submitted via thumb drive.
Q9. We cannot guarantee pricing for (3) years. Can we take exception to this on attachment "E"	A9. Refer to paragraph 4 under Special Provisions. Contract period per paragraph 3 is one year.
Q10. If a bidder currently holds a contract with the State of Delaware which includes, but is not limited to, hand tools and power tools, would the NCCVT School District accept an alternate proposal referencing the existing State Contract?	A10. All the bid information for RFQ 2401.05 needs to be completed and returned. The prices can match or beat the State Contract Pricing. There is no need to reference the State Contract as we will be using this bid to make the purchase.
Q11. The RFQ includes very specific tools, including model numbers. Would alternative tools, with the exact same specifications, be acceptable in our response?	A11. Provide product data for the proposed alternates prior to the last date for bidder questions, January 20, 2026.
