TO: ALL OFFERERS

FROM: Edwin Robles, P.E.
Chief of Engineering and Operations

SUBJECT: ADDENDUM TO INVITATION TO BID
CONTRACT OMB26710-SUPMNCAP
Supplemental - Statewide Minor Capital Projects

ADDENDUM #2 Q & A

Q#1) Please confirm we should be submitting our SF330 qualifications package as the Bid Form.

A#1) Yes, please submit your proposal as the Bid Form in Bonfire.

Q#2) Please confirm that a bid bond is not required for this submission.

A#2) Correct. No bid bond is required for this submission.

Q#3) If a bid bond is not required, can the requirement please be removed from the Bonfire listing so that we will be able to finalize and submit qualifications?

A#3) Unfortunately, we are not able to remove this icon from the Bonfire listing. Please upload your proposal again in this section, if Bonfire requires an entry to complete the submittal.

Q#4) Can OMB provide examples of project types and scale or value that may be awarded under this contract?

A#4) Projects that may be awarded under this contract vary in size and scope, and may include roof, window and door replacements, paving projects, generator replacements, floor replacements and HVAC system replacements.

Q#5) Will a firm located in Baltimore, MD (approximately 80 miles from Wilmington, DE) be considered for award of this contract?

A#5) No. The RFP states that in order to qualify for this solicitation, a firm must be within 1 hr of Wilmington, Dover or Georgetown, DE.
